## **National Economic Impact Payment Registration Day is November 10**

**Deadline to get your Economic Impact Payment is November 21, 2020**

Salem, Ore. – Tuesday, November 10 has been designated as National Economic Impact Payment Registration Day as a way to remind people to see if they are eligible for this money.

Thousands of Oregonians have not taken advantage of the federal government's Economic Impact Payment. Individuals can receive up to \$1,200, and married couples can get up to \$2,400. People with qualifying children under 17 at the end of 2019 can get an additional \$500 for each qualifying child.

But many people don't know that they are eligible or don't know how to get this money. The deadline is Saturday, November 21 by 3 p.m.

The IRS has mailed letters to people who may qualify for this payment. Because some people aren't required to file a federal tax return, the letter urges people to visit the Non-Filers Payment Info Tool: <https://www.irs.gov/coronavirus/non-filers-enter-payment-info-here> before the November 21 deadline.
