## **Public Notice and Request for Comment on Amendment to the Reimbursement Rates for Developmental Disabilities CIIS In-Home Services In Order to Bring the Rates into Alignment Across Programs**

---

**PROPOSAL:** A CIIS Expenditure Guidelines Version 1.0 was published November 25, 2014 listing rates for services that will be effective January 1, 2015. The rates apply to services delivered through the following Developmental Disabilities programs: Medically Fragile Children's Services, Children's Intensive In-Home Services (CIIS) – Behavior Program, and Medically Involved Program. Leading up to January 1, 2015, the rates for services in those programs are found in the ODDS Children's In-Home Programs Rate Guidelines specific to the programs.

Changes in the Expenditure Guidelines are intended to align rates across programs, in accordance with 42 CFR 447.200. When provided by a licensed or certified provider agency, the affected services are: One-on-One Attendant Care, Relief Care, and Skills Training. The rate for an independent contractor delivering skills training is also affected. The rate for providers Family Training is also affected. The rates for some of these services will rise, others will be lowered.

**EFFECTIVE DATE:** 1/1/15

**COMMENTS DUE:** December 19, 2014
