Public Notice and Request for Comment on Medically Involved Children’s Waiver (0565)

The Department of Human Services and the Oregon Health Authority are seeking public comment on the submission of the Medically Involved Children’s Waiver (0565).

42 CFR §441.304 (f) (1-4) requires that the agency establish and use a public input process. The process must include meaningful opportunities for input for individuals served. The following is a summary of substantive changes to being proposed for the three Children’s Model Waivers:

- New services added- Environmental Safety Modifications, Specialized Medical Supplies, Individual Directed Goods and Services and Vehicle Modifications
- Services Removed- Translation, Counseling as a component of Family Training
- Revision of the State’s Quality Improvement Strategy
- Revision of Level of Care criteria
- Removed the following provider types from providers of Family Training and Counseling Services – Licensed Psychologists, Mental Health Professional: Counselor and Social Worker

You can [review the proposed waiver application](#).

Comments can be sent to odds.info@state.or.us and should be received no later than December 15, 2014.
