

DHS Intra-Agency Cooperative Agreement
Between Developmental Disabilities Services
And Vocational Rehabilitation

1. INTRODUCTION

The Department of Human Services Vocational Rehabilitation (VR) and Office of Developmental Disabilities Services (ODDS) share a common mission, philosophy and goal to increase competitive integrated employment opportunities for individuals with intellectual and developmental disabilities (IDD). Because of the interdependent nature of the service system, each office also shares a need to collaborate to accomplish this objective. This mutual goal is best achieved by the ODDS and VR joint adoption and endorsement of the “Employment First Policy” for working age adults with IDD.

2. PURPOSE, GOAL and OBJECTIVES

This Collaborative Agreement (Agreement) is to be implemented statewide, with a target population of all working age individuals with IDD who are eligible for both VR and ODDS services. This also includes school age individuals engaged in employment related transition services. The general purpose of this Agreement is to fully implement Lane v. Brown Settlement and Executive Order 15-01; and fulfill mandates from the Workforce Innovation and Opportunity Act (WIOA) to empower individuals with disabilities to maximize employment, economic self-sufficiency, independence, and inclusion and integration into society.

2.1 The specific purpose is to outline mutual goals, strategies, actions, and responsibilities to increase the opportunities and success of working age adults with IDD to achieve and sustain competitive integrated employment, as delineated in Executive Order 15-01, Integrated Employment Plan (7/6/15), and Lane v. Brown Settlement Agreement (2015)

2.2 The objectives supporting this intent are to:

(a) Promote actions that will directly improve employment outcomes for mutual clients;

- (b) Promote systems change that positively and collaboratively impacts the effective and efficient operation of VR and ODDS;
- (c) Engage all applicable stakeholders in the accomplishment of desired outcomes.

3. PARTIES

Within the Department of Human Services, Vocational Rehabilitation (VR) and Office of Developmental Disabilities Services (ODDS) desire to enter into an intra-agency agreement to provide improved employment outcomes for individuals with intellectual or developmental disabilities.

- 3.1 VR will ensure that individuals exercise informed choice as it assists them to identify their strengths, resources, priorities, capabilities, concerns, and interests including vocational goals. VR will develop individualized plans of employment to address identified employment barriers. VR will also provide and purchase goods, services, aids and devices in support of individualized plans for employment (IPE).
- 3.2 ODDS provides supports and services to youth and adults with intellectual and developmental disabilities. Eligible individuals and their families can access service coordination, generic and specialized services to provide the support, including appropriate employment support, based on the individual needs of the person, to be able to live independent, productive lives integrated within their community.

4. Mutual Responsibilities of the Parties

VR and ODDS agree to perform the following:

- 4.1 Promote a goal that all persons with IDD who want to work in the community will be afforded an opportunity to pursue competitive integrated employment that allows them to work the maximum number of hours consistent with their abilities and preferences. Develop policies and recommend that the standard for planning and implementing supported employment services is the opportunity to work at least 20 hours per week, recognizing that based on individual choice, preferences, and circumstances, some may choose to work at a different level;
- 4.2 Collaboratively govern this agreement;
- 4.3 Collaboratively design a coordinated service system that continues to produce positive employment outcomes and engage VR and DD staff, service providers (vendors) and other stakeholders at the local level, through strategies that include:

VR-ODDS Cooperative Agreement

- regional training, use of a uniform referral and release of information, self-employment, summer work experience, and expanding youth services;
- 4.4 Determine gaps or other issues in services and eliminate those gaps or issues through local and regional strategies including dispute resolution and the cross-agency Triage Group;
 - 4.5 Share data, within the bounds of confidentiality and as established through the Lane v. Brown Settlement and Executive Order 15-01;
 - 4.6 Continue to encourage networking and collaboration among VR and ODDS at regional and local levels;
 - 4.7 Collaboratively address capacity by use of strategies including classroom training for vendors, vendor training modules available on-line; and by co-enrolling vendors.

5. INDIVIDUAL RESPONSIBILITIES of the PARTIES

In addition to the mutual responsibilities listed in section 4, ODDS agrees to do the following:

- 5.1 Assure that the CDDP/Brokerage working with the individual who is referred to VR provides as much pertinent existing information as possible to assist in planning the individual's employment goal and developing their VR Individualized Plan for Employment (IPE). Documents that may be available include: work history, Individual Support Plan (ISP), Career Development Plan (CDP), Positive Behavior Support Plan (PBSP), original eligibility determination documentation and Discovery Profile. The Universal Referral and Release of Information documents were developed to assist in this effort. The Service Coordinator or Personal Agent will attend as many team meetings as possible to assure that information is shared and understood by the entire team;
- 5.2 The individual service plan (ISP) reflects the VR plan (IPE) and is updated in a timely fashion as needed to support necessary changes in supports for the individual participant;
- 5.3 For those eligible for long term support services, ODDS will provide this support once the individual reaches stabilization;
- 5.4 Refer individuals for ODDS services (e.g., Discovery, Employment Path) at the individual's request and when the team agrees that it is the appropriate course of action;
- 5.5 Share information on new services provided to the individual participant with the team including VR;

- 5.6 If VR goes into Order of Selection, ODDS will create a plan for services that may include job development;
- 5.7 If an individual procures a job, without VR services, that meets their employment goals, ODDS will provide supports to retain the job for 90 days as VR would not open a case when an individual has already procured a job that meets their employment goals.

In addition to the mutual responsibilities listed in section 4, VR agrees to do the following:

- 5.8 Utilize existing employment data/information to the maximum extent possible when working with a participant to set their employment goal, address barriers to employment, and create the IPE;
- 5.9 Include brokerage and county staff in targeted participant's team meetings, at a minimum the intake meeting and IPE planning meeting(s);
- 5.10 The IPE reflects the ODDS plan (ISP) and other pertinent ODDS employment services and is amended as needed to reflect changes in needed services as well as changes in ODDS services for the individual participant;
- 5.11 Provide job development and job coach services until job stabilization is reached. Job stabilization is determined by the individual and their VR Counselor;
- 5.12 Share employment outcome data about shared individual clients, with the team, including local county or brokerage staff on an ongoing and timely basis; at a minimum during advancement toward the employment goal; at job placement; and, at the approach and accomplishment of job stabilization;
- 5.13 If VR goes into Order of Selection, VR will encourage and assist VR job development contractors to become ODDS providers of job development services.
