This message applies **only** to the following Office of Licensing and Regulatory Oversight (OLRO) classes:

- Six Rights to Safe Medication Administration
- Right Time
- Fatal Four and 9-1-1
- Infection Control

The DHS/OHA Learning Center is upgrading to the iLearnOregon system and work on this project is well underway. Migration of existing training records will begin in July 2016. Due to a number of activities occurring in July and August related to the migration to iLearnOregon, OLRO will not be conducting *NetLink* classes in July and August.

There are *NetLink* Six Rights classes scheduled before July: April 12th, May 18th and June 9th. After August, there will be four *NetLink* Six Rights classes scheduled in the new iLearnOregon system: September 14th, October 25th, November 16th and December 15th. Instructions on how to register for classes scheduled after August in the new iLearnOregon system will be provided starting in July 2016.

There is an approved classroom version of the Six Rights class being offered through Sageland Education on July 7th from 9:00 a.m. to 12:00 p.m. in Clackamas County. There is a fee of $30 payable to Sageland Education. Specific information can be found online through the DHS/OHA Learning Center: [https://dhslearn.hr.state.or.us](https://dhslearn.hr.state.or.us) or the APD Adult Foster Home Training website:
If you need the Six Rights training by August 2016, you will need to sign up for classes offered before July or take the classroom version on July 7th.
