

Adult Foster Home Provider Alert

Policy updates, rule clarifications and announcements

Date: January 6, 2020

Topic: **Six Rights Classes Canceled for January and February 2020**

To: APD Adult Foster Home Providers

Due to circumstances beyond SOQs control the Six Rights of Safe Medication Administration classes originally scheduled for **January and February of 2020 have been canceled**. The system utilized to support these online courses (iLearn) is currently down and is not accessible to instructors or students. Unfortunately, SOQ does not have any details on the issues, and the estimated time to fix the issues is unknown. To accommodate the back log of students and to give them a chance to take the required pre-requisite, SOQ will conduct three courses in March and then go back to the regular 2020 schedule of once a month.

A revised class schedule will be available after February 5th on the AFH Training website: <https://www.oregon.gov/DHS/PROVIDERS-PARTNERS/LICENSING/APD-AFH/Pages/Training.aspx>

The proposed schedule for courses being held in March is as follows:

- **March 3rd – already scheduled: 1PM – 3:30PM;**
- **March 4th 1PM – 3:30PM; and**
- **March 17th 1PM – 3:30PM.**

Thank you for your patience.
