

Adult Foster Home Provider Alert

Policy updates, rule clarifications and announcements

Date: January 15, 2020

Topic: Portland State University (PSU) Questionnaire

To: APD Adult Foster Home Providers

Summary: Oregon Department of Human Services (DHS) asked the Institute on Aging at Portland State University (IOA-PSU) to collect information about adult foster homes (AFHs).

650 AFHs were randomly selected from all AFHs in Oregon. If your home was selected, you received a mailed copy of the questionnaire from IOA-PSU in December 2019. If you did not receive a letter from PSU, you can ignore this alert.

The information that AFH owners provide helps us understand changes over time in resident needs and staffing levels, and how to define and achieve quality standards for AFHs and other Community-Based Care facilities. **DHS requires all of the 650 randomly selected AFHs to complete the questionnaire and return it to PSU.**

The deadline for returning the questionnaire to IOA-PSU is January 17, 2020.

If you need another copy of the questionnaire, contact Sheryl Elliott at 503.725.2130 or email cbcor@pdx.edu, or download a copy from <https://www.pdx.edu/ioa/oregon-community-based-care-project>

DHS staff provided input on the questionnaire and they support this project. The prior AFH reports, along with reports about assisted living, residential care, and memory care communities, are available at <https://www.pdx.edu/ioa/oregon-community-based-care-project>.
