From: Safety, Oversight and Quality Unit
Topic: **Water Advisory Alert**

TO: All Nursing Home Facilities
All Residential Care Facilities
All Assisted Living Facilities
All Adult Foster Homes

September 18, 2020

This provider alert is intended to offer guidance and information as related to potential water district concerns in your licensed area. Listed below are two website links that offer current updates as to water conditions and the districts impacted.

Important information about potential concerns in your area can be found by following these links:

[Oregon Public Health Drinking Water Data Online](#)

Please note the Safety, Oversight and Quality Unit does not have updated information specific to each water district. The link above offers additional information in your area – please click “see details” on the right-hand side of the page for your water district and the contact information that is provided.

[Oregon Map of impacted water districts](#)

This map offers a statewide overview of impacted water districts.

As always, you can reach your assigned teams as follows:

Adult Foster Home APD.AFHTeam@dhsoha.state.or.us

Assisted Living and Residential Care Facilities CBC.team@dhsoha.state.or.us

Nursing Facilities NF.Licensing@dhsoha.state.or.us

Questions about COVID-19 or baseline testing can be directed to:
SOQ.LTCinfo@dhsoha.state.or.us
