This program is being offered as the result of a partnership between CVS, Walgreens, and the Centers for Disease Control and Prevention (CDC).

The deadline for signing up to participate in this program has been extended to November 6, 2020 at 8:59pm PST. If you have not already signed up, please do so by this evening. Providers that do not sign up must be able to offer a plan as to how they plan to obtain COVID-19 vaccinations for their facility.

Nursing facilities can sign up for the on-site clinics at the National Healthcare Safety Network (NHSN) [website](#) provided they are already enrolled users. If your facility is not yet enrolled with NHSN please click here: [LTCF COVID-19 Module Enrollment](#)
Assisted Living and Residential Care Facilities and Adult Foster Home Licensees can sign up using this online form: [Retail Pharmacy Partnership Program](#)
