RE: COVID-19 Vaccination Maintenance Planning and Resources

Long-term care (LTC) facilities and adult foster homes (AFH) must develop a vaccine maintenance plan for the state to ensure the protection of residents and staff beyond the conclusion of vaccine clinics conducted through the CDC Pharmacy Partnership for Long-term Care Program (FPP).

To facilitate ongoing vaccination planning in LTC facilities and AFHs, the state has outlined options for facilities to operationalize facility vaccine planning for residents and staff.

For information, options and resources to develop a COVID-19 vaccination maintenance plan, please visit: <https://www.oregon.gov/DHS/COVID-19/Pages/LTC-Facilities.aspx>

If you have any questions or concerns, please send an email to: SOQ.LTCinfo@dhsosha.state.or.us.
