

Oregon

Kate Brown, Governor

Hello,

You are receiving this message because you partner with a state of Oregon agency, board, or commission.

Starting in June 2021, the state of Oregon will launch a new learning management system called Workday Learning. This will replace the current platform iLearnOregon. Workday Learning will expand Workday Oregon, the state's core Human Resources (HR) system. Workday Learning will provide you access to state sponsored training.

The change to Workday Learning will require a shift in familiar terminology. For example, iLearnOregon uses the term Agency Partner to identify any person who collaborates with a state agency, board, and/or commission. When we launch Workday Learning, your designation will change to an Extended Enterprise Learner.

Actions to take now: As an Extended Enterprise Learner, your iLearnOregon, training records (transcripts) will not transfer into Workday Learning. In preparation for this change we are recommending that you complete the following tasks, by early June 2021:

- Download your transcript for each identified iLearnOregon account ([Click here for directions on how to download your transcript from iLearnOregon](#))
 - NOTE: If you have completed courses in iLearn under multiple accounts, you will need to download a transcript from each account to reflect your complete training record.

Coming soon: Training on how to use Workday Learning is anticipated to start in May 2021

- How to create a Workday Learning account
- Logging into Workday Learning
- Enrolling in a course on Workday Learning
