

Adult Foster Home Provider Alert

Policy updates, rule clarifications and announcements

Date: May 18, 2022
To: APD Adult Foster Home Providers
From: Safety, Oversight and Quality Unit
Topic: **Save the Date! Upcoming APD AFH Training for CEUs**

The APD AFH Program is excited to announce some upcoming training events being offered this summer. Each topic will include two separate dates to ensure that we reach the widest number of participants. These trainings are available to caregivers in any position, for one CEU credit per course. Participants may not register for more than one session for the same topic, and they must register using a Workday Learning account to receive credit on their transcript. We will be unable to allow participants to receive CEUs *unless* they have registered for the course using their Workday Learning account and completed the training, no exceptions.

Please refer back to Provider Alert "[ODHS Virtual Training Program](#)" to sign up for a Workday Learning account *if you do not already have one*. If you have trouble signing up with a Workday Learning Account or registering for the course, please refer to the ODHS Virtual Training Program document for assistance. We look forward to your participation in the training topics outlined below.

This alert is a SAVE THE DATE notice only – we will send a provider alert for each training as it is ready for enrollment in Workday Learning.
