Subject: **COVID-19 Screening and Reporting Requirements**

Though the Executive Order process ended April 1, 2022, the need to continue to track COVID-19 cases in long-term care settings persists. To ensure the safety of all residents and staff, community-based care settings must continue following all screening and reporting safety requirements.

The screening and reporting requirements can be found in our previous correspondence, March 2022:

- [Adult Foster Home Program](#)
- [Community Based Care](#)
- [Nursing Facilities](#)

AFH facilities must also continue notifying their licensor and the Safety, Oversight and Quality team each time there is a newly identified COVID-19 outbreak, as well as when the outbreak has ended via the following email address:

- **Nursing Facilities:** NFLicensing@odhsoha.oregon.gov
- **Community Base Care Facilities:** CBC.team@odhsoha.oregon.gov
- **Adult Foster Homes:** SOQ.LTCinfo@odhsoha.oregon.gov
