

Adult Foster Home Provider Alert

Policy updates, rule clarifications and announcements

Date: September 7, 2022
To: APD Adult Foster Home Providers
From: Safety, Oversight and Quality Unit
Topic: **Reminder: September APD AFH Training: End of Life Care in AFH**

The APD AFH Summer Training series concludes September 13th and 21st with End-of-Life Care in APD AFH. These trainings are for all AFH Licensees and AFH caregivers to refresh their knowledge on the selected topic and learn how Oregon Administrative Rule applies to daily activities in an AFH.

The End-of-Life Care training explores resident rights and legal considerations when a resident is at end of life. The training is developed with consideration of Oregon Administrative Rule and Policy for Adult Foster Homes. We discuss resident rights, the role of the medical professional, and the different legal considerations for resident care.

Each class offers 1 CEU if the learner registers through Workday Learning. Participants must register prior to the course start time using a Workday Learning account to receive credit on their transcript. We cannot give CEUs unless they have registered for the course using their Workday Learning account and completed the training, no exceptions.

To register for this training in Workday Learning to receive credit, please use this link:

[Register for the End-of-Life Care training.](#)

You can attend either day, or both, as the content on both days is the same. You will receive credit only for one day.

Tips to enroll in the training are below:

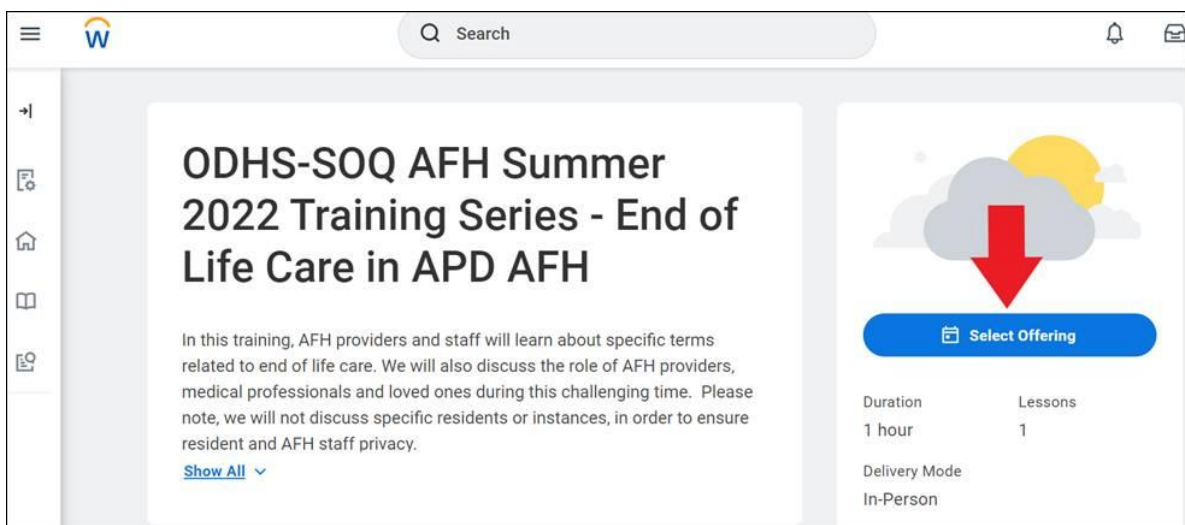

- If you do not already have a Workday Learning account, please refer back to Provider Alert “[ODHS Virtual Training Program](#)” to sign up. You will need to do

this immediately, as the Workday Learning account process is multi-step and can take some time to complete.

- If you already have a Workday Learning account, be sure you have your username and password ready when you click the “Register for the End of Life Care training” link above. By clicking on the link above, it will take you to the Workday Learning sign in page. After you have signed in, it will take you directly to the listing for the training.
- If you forgot your username or password or are having problems finding or registering for the training, email DHS.Training@odhsoha.oregon.gov as soon as possible. It may take several days for them to resolve your issue.
- Plan to sign into your Workday Learning account at least 15 minutes before the training is scheduled to begin so you can navigate to the training listing and get the link to the Zoom training. Instructions are below on how to do this once you have registered for the training.
- If you are not familiar with the device you will be using to attend this training, make sure you get help from someone before the training begins. Because devices vary, we are unable to help with technical issues.
- Each person who would like to receive credit for this training will need to register for the training through Workday Learning. Each individual will need to follow the directions to log into their individual Workday Learning account to launch the training on their own device. Sharing a device will not allow us to track attendance and give credit for the training.

To register for the training:

1. When you are on the page for the training, click the “Select Offering” button to choose the day you would like to attend.

2. Select the day you would like to attend and click the “OK” button.

ODHS-SOQ AFH Summer 2022 Training Series - End of Life Care in APD AFH

Tue, Sep 13, 2022, 11:00 AM Pacific Time (Los Angeles) - 12:00 PM Pacific Time (Los Angeles)

In this training, AFH providers and staff will learn about specific terms related to end of life care. We will also discuss the role of AFH providers, medical professionals and loved ones during this challenge in order to ensure resident and AFH staff privacy.

Current providers, new providers and all AFH staff should have this knowledge, and refresh their understanding on a regular basis.

This is the fourth of a four-part series held June through September 2022. Each class offers 1 training credit hour if the learner registers through Workday Learning.

You can attend either day, or both, as the content on both days is the same.

You will receive credit only for one day.

This training is offered on Tuesday, September 13 from 11am-12 (noon) and Wednesday, September 21 from 2-3pm.

Enroll in the offering to attend the training on the day indicated. This training will be held through Zoom.

*Workday Learning will only let you enroll in one offering. If you would like to attend both days, enroll in and attend the first day on Tuesday September 13, and then send an email to AFHTrainees.SPD@odhs.ca.gov your information and send the link to the second day the morning of September 21, 2022.
