**Topic:** **Adult Foster Home Insurance Survey**

---

The Oregon Department of Human Services (ODHS) and The Oregon Health Authority (OHA) are conducting a joint survey of all licensed adult foster home providers. The purpose of this survey is to assess current insurance coverage providers may have related to their business operations.

The survey will only take a few minutes to complete, and your answers will help ODHS and OHA have an understanding of insurance coverage availability and the potential barriers for AFH providers.
