RE: Individually Based Limitations FAQs & Process Maps

The Department appreciates the hard work that community-based provider licensees have done to implement all HCBS rules. Through many conversations with providers and other stakeholders, APD has worked to find ways to support this transition. The implementation of Individually Based Limitations (IBL) is very complex. CBC Providers have very important questions about how to ensure resident rights and safety, while maintaining compliance with HCBS rules.

APD has created a list of [Frequently Asked Questions \(FAQs\)](#) which will be posted on both the HCBS Website and the SOQ provider Websites. [Decision charts](#) to assist in guiding the actions needed to implement Individually Based Limitations (IBL) can be found there as well.

HCBS website: <https://www.oregon.gov/DHS/SENIORS-DISABILITIES/HCBS/Pages/APD.aspx>

These FAQs will be periodically updated as new questions arise or if revision or clarification is needed to any answers.
