**RE: Reminder OHA Healthcare-Associated Infections Program
Webinar Series**

This is reminder that all Long-Term Care Providers are invited to attend the next session of **OHA Healthcare-Associated Infections Program Webinar Series**:

Friday, December 4, 2020 from 9-10 A.M.
Responding to Covid-19 During Influenza Season

To join the meeting online click here: [Join the meeting](#)
If you are not able to participate on December 4, 2020 a recording will be available at the same link.

The review the full schedule of this series please see: [Provider Alert NF-20-147](#).

We hope you can join us.

OHA Leadership Team

For questions about accessibility, or to request an accommodation, please send an email to Jennifer.STALLSWORTH@dhsosha.state.or.us. Requests should be made at least 48 hours in advance of the meeting.

ePOC Practice Tip:

Facility Administration - ASPEN Web: e POC (electronic Plan of Correction) is the centralized worksite for completing all steps in CMS & State survey POC processing including:

- Receiving and reviewing Statements of Deficiencies (SODs),

- Formulating POCs,
- Submitting POCs and if desired,
- Attaching supporting Informal Dispute Resolution request & documents.

Register and maintain an active ePOC account to efficiently access your surveys, and at no cost to your facility. ePOC registration passwords are effective for 90 days and must be renewed timely to maintain an active ePOC account. As an active ePOC user, you will receive notifications of pending password expiration with renewal instructions. It may also be advantageous to have multiple ePOC registrants for your facility to ensure an active ePOC account is maintained at all times. For ePOC assistance and/or questions contact QTSO (<https://www.qtso.com>).
