RE: Reminder to Complete COVID-19 Vaccination Reporting to Oregon Health Authority by Friday, April 16, 2021

This is a reminder to complete your facility's COVID-19 vaccination reporting to the Oregon Health Authority (OHA) this week.

You will be asked to report summary data for the prior week (4/5 – 4/11). Additionally, if you have not already reported data for the first week of reporting (3/29 – 4/4), you will be able to do so as well.

At this time the file upload option has been temporarily disabled but you will be able to pre-populate your summary data from last week by clicking the 'Pre-fill from last week' buttons on the manual entry pages. If you pre-fill your data, review and make any edits to your summary counts, including changes to staff or resident census counts, as needed.

Access the survey here: [OHA Reporting Survey](#)

Thank you to those of you who have already submitted your facility's data.

Ongoing weekly reporting will continue on the same schedule:

OHA reporting week	What data will be requested?	When can I begin reporting this data?	What is the deadline to report this data?
3	Summary vaccination data for staff and residents that were employed by your facility or lived in your facility during the week of 4/12-4/18	Monday, 4/19/2021	Friday, 4/23/2021
4	Summary vaccination data for staff and residents that were employed by your facility or lived in your facility during the week of 4/19-4/25	Monday, 4/26/2021	Friday, 4/30/2021
NOTE: These weeks are shown as an example. OHA will continue requesting ongoing weekly reporting.			

If you have any questions, please reach out to Lisa Iguchi at lisa.c.iguchi@state.or.us.
