Provider Alert

Nursing Facility Providers

IM-17-20-NF

Date: August 24, 2017

From: Nursing Facility Survey Unit

Subject: Nursing Facility Floor Plans-Email Address Corrected

Summary:

In the preparation for the new LTCSP (Long Term Care Survey Process) due to begin November 28, 2017, we are requesting our nursing facilities provide us with a clear copy of their current facility floor plan.

For facilities with combined SNF/NF and CBC beds the floor plan needs to reflect only those beds that are NF/SNF. If CBC beds are in the same building those areas/rooms should be removed or designated as such.

The new survey process includes a more extensive offsite resident selection process than was used in either the previous traditional survey process or the current Quality Indicator Survey. Provision of the floor plan is voluntary; however, it will greatly facilitate this new survey process and ensure our survey time in each facility is not unnecessarily extended.

The floor plans may be mailed to:

Nursing Facility Survey Unit

Attn: Andria Otjen

PO Box 14530

Salem, OR 97309

Or scanned and sent via email to: CCMU.Survey@dhsosha.state.or.us

"Assisting People to Become Independent, Healthy and Safe"

An Equal Opportunity Employer

Further information and provider education regarding the new LTCSP can be found on the Integrated Surveyor Training Website (ISTW)

<https://surveyortraining.cms.hhs.gov/> .

Thank you in advance, as we prepare for these exciting changes to our collaborative efforts to improve the quality of life and quality of care of our nursing facility residents.
