Webinar Title: Getting Ready for Influenza and Norovirus: Key Information for Long-term Care Facilities.

Date: Thursday, November 14th, 2019

Time: 9:00 - 10:00 a.m.

*Registration Information: <https://attendee.gotowebinar.com/register/2972502600115623682>

This session will:

- Provide information about influenza and norovirus symptoms, modes of transmission, and strategies to prevent spread.
- Introduce and explain a new law promoting recognition, reporting, and control of disease outbreaks in LTCFs.
- Review current recommendations from Oregon Health Authority regarding transfer of recovering influenza and norovirus patients from hospitals to LTCFs.

Speakers:

- Lynn Beaton, JD, Aging and People with Disabilities, Oregon Department of Human Services
- Dr. Richard Leman, Health Security, Preparedness, and Response, Oregon Health Authority
- Dr. Ann Thomas, Acute and Communicable Disease Prevention, Oregon Health Authority
- Dr. Dat Tran, Acute and Communicable Disease Prevention, Oregon Health Authority
