3406 Cherry Ave NE, Salem, OR 97303

Phone: (503) 373-2227

Fax (503) 378-8966

Reference: CBC-20-66 Provider Alert

DATE: March 5, 2020
TO: Community Based Care Providers
FROM: Safety, Oversight, and Quality

SUBJECT: COVID-19 Reporting Process

This alert is being sent to:

- Provide reporting process guidance on how and to whom to report if a resident has been tested presumptive for the Novel Coronavirus (COVID-19).
- Remind providers about their obligation to follow recommendations and guidance for infection control protocols and procedures.

If a resident of your facility has tested positive or is suspected of having the Novel Coronavirus (COVID-19), Facility Administrator **must** contact their local County Health Authority and APD Safety, Oversight and Quality Unit immediately. Both agencies must be contacted to ensure precautions are taken for the safety of all residents, staff and visitors of the facility and community.

Please review the infection control guidance and obtain additional information on disease prevention from the CDC at <https://www.cdc.gov/coronavirus/2019-ncov/about/transmission.html>.

If a resident of your facility has tested positive the local County Health Authority will begin a contact tracing investigation and ensure appropriate safeguards are taken. The Safety, Oversight and Quality Office will take the necessary steps to ensure the safety of the residents and staff of the facility.

The Department will continue to provide information to providers through Administrative Alerts as new information is available. For additional questions please email CBCTeam@dhsosha.state.or.us
