CBC-22-037 – Provider Alert

Date: October 6, 2022

TO: Residential Care and Assisted Living Facilities

FROM: Safety, Oversight and Quality

SUBJECT: Quality Measurement Program – Upcoming Webinars to Describe Quality Measurement Reporting for 2022

The Safety, Oversight and Quality program will be holding a series of webinars, to provide training on the Quality Measurement Program. Each of these webinars will address the requirements of the current program; we will describe exactly what providers must do to successfully enter quality metrics data for 2022.

Each of the webinars will provide identical content from the department, and then will allow time for questions and answers. Dates and times with access information to the webinars are as follows:

Webinar – Quality Measurement Program Reporting for 2022.

This webinar will provide an overview of each metric and explain in detail what facilities need to track and report in order to comply with the law. We will also discuss the process for facilities to register for access to the Quality Measurement Application to report data.

First Webinar:

Wednesday, October 12th, 11:00 am – noon
