Date: September 3, 2021

To: All Nursing Facilities

From: Aging and People with Disabilities
ODHS Safety, Oversight and Quality Unit (SOQ)

Subject: **Survey of Effectiveness of Temp Staffing Rules**

Overview: Oregon is closely monitoring the state's bed capacity in long-term care given the rise in COVID-19 cases with the Delta variant. This monitoring includes tracking the results of temporary measures taken to provide more staffing flexibility in nursing facilities.

To ensure we can prepare as a state, and support all nursing facilities in the pandemic, we ask that you participate in a short survey. Aggregate data from this survey will be used to inform decision making.

Please answer the questions on the following survey and submit by Wednesday, September 8th, 2021:
