NF-20-139 – Announcement

Date: October 23, 2020

Announcing: AHRQ ECHO National Nursing Home COVID-19 Action Network

Oregon ECHO Network is partnering with the Project ECHO Institute and the Agency for Healthcare Research and Quality (AHRQ) to engage all Oregon nursing facilities in a 16-session weekly virtual program to share evidence-based best practices to prevent and treat COVID-19 among residents and staff.

Nursing facilities eligible to receive funding from the Provider Relief Fund (PRF) that actively participate in at least 13 of the 16 Network training sessions can receive \$6,000 in compensation for participating. At least two people from each facility must participate in order to receive the funding.

We have two cohorts are forming now!
