Dear Nursing Facility Administrator,

Please share this training information with your Director of Nursing, RN Care Manager(s), and other facility staff responsible for completing MDS assessments.

This training opportunity is for nursing facility staff involved in completing RAI/MDS for all residents residing in your facility. The course is designed to meet the needs of staff who are new to the RAI process.

The RAI training will occur in a virtual classroom setting. A series of four 2-hour trainings will be available via Zoom.gov with an overview of the RAI/MDS process and its effect on your survey outcomes. The series will be offered Monday through Thursday, September 20th through September 23rd, from 9 am to 11 am daily.

In order to attend the virtual classroom experience, you will need to [sign up for a Workday Learning Account](#) (see attached manual for instructions – your affiliation is with the Oregon Department of Human Services listed as *Human Services*).
