All Assisted Living Facilities  
All Residential Care Facilities

From: ODHS Safety, Oversight and Quality Unit  
(SOQ) Office of Aging and People with

Subject: **Urgent Data Collection Efforts**

---

As the COVID-19 Omicron variant begins to peak, it is critical the teams at ODHS Office of Aging and People with Disabilities (APD) continue to receive bed census and staffing data from all long-term care facilities. This data enables us to deploy additional resources to increase capacity and to assuage the workforce crisis in long term care facilities in Oregon.

### **Online Survey Data Collection**

#### **Long Term Care Facilities WITHOUT Nurse Crisis Teams**

These facilities will receive an email on every Monday morning through 2/14/22 from [Mike McCormick](#), ODHS APD Interim Director, with a link to an online survey regarding to bed census and staffing needs.

Please complete it as soon as possible (by each Wednesday by 5 p.m. at the latest). Due to the importance of this data, outreach calls will begin to facilities that haven't responded each Tuesday at noon.

If you didn't receive this email/survey, it can always be accessed by clicking [here](#). You'll need your Facility ID # (e.g., 20M096) or License Number.

#### **Long Term Care Facilities WITH Nurse Crisis Teams**

Facilities with nurse crisis teams have an additional reporting responsibility. You will receive an email from [Jennifer Gleason](#), OHA Nurse Crisis Team Liaison,

with a link to an online survey related admissions, discharges, and referral denials each morning at 8 a.m.

This survey will need to be completed **DAILY**, while you have a nurse crisis team in your facility. We'll send an email each morning as a reminder. We will conduct outreach calls to each facility that hasn't provided a survey response by 11 a.m. each day.

If you didn't receive this email/survey, it can always be accessed by clicking [here](#). You'll need your Facility ID # (e.g., 20M096) or License Number.
