Subject: **COVID-19 Testing Reimbursement Update**

Dear Providers:

Funds to reimburse providers for staff COVID-19 testing were depleted in February 2022. We are pleased to inform you that Governor Brown, House Speaker Kotek, and Senate President Courtney have approved an additional \$10M in funding to reimburse nursing facilities, assisted living facilities, and residential care facilities for direct costs incurred in testing their staff members.

Routine Staff Testing Reimbursement

If you have already submitted a request for reimbursement, no further action is required. The Oregon Department of Human Services will reimburse facilities in the order they have been received.

Requests must be submitted using the invoice form titled:

“Non-Initial Testing Invoice Form March 2022”

Here is the link to the invoice form: [COVID Reimbursement Invoice Form](#)

Once completed, submit the request for reimbursement to:
