Subject: **ACE Resource & Professional Development Reminder**

This is a reminder that the Oregon Health Authority, Healthcare-Associated Infections Program, in collaboration with Comagine Health, have recently unveiled a professional development program for infection control staff in Long-Term Care settings. This was originally announced on September 26, 2022 in [Provider Alert NF-22-051 linked here](#).

Advancing Infection Control Capacity & Education (ACE): Coaching to Certification, is an initiative designed to help long-term care infection control specialists “ACE” their certification in infection control and build capacity to prevent the spread of communicable diseases.

It's not too late to sign up! Register for the upcoming regional “Meet and Greet” to learn more. Review the [Registration flyer here of ACE Upcoming Events](#).
