From: Safety, Oversight and Quality,

Subject: COVID-19 Testing Reimbursement Update

Dear Providers:

Funds to reimburse providers for staff COVID-19 testing are now depleted. These funds provided much needed financial relief to many facilities during the pandemic. Since July 2020, the Department has processed over 3,400 requests at a cost of approximately \$35M.

Thank you to all who have participated.

Should further funds become available, the Department will send out an updated Administrator Alert.
