From: Aging and People with Disabilities, Safety, Oversight and Quality Unit
Subject: Reminder to Complete Portland State University (PSU) Questionnaire Mailed to Your Community

For the fifth year, Oregon Department of Human Services (DHS) asked the Institute on Aging at PSU to collect information about residents and communities like yours and to prepare a report that informs providers, consumers, and state agency staff about resident acuity, staffing patterns, services, and community policies. Each community licensed in the State of Oregon will receive a mailed copy of the questionnaire from PSU the first week of December 2018.

The information that communities provide helps us understand how to define and achieve quality metrics for Community-Based Care communities. **DHS requires providers to complete the questionnaire and return it to PSU.**

The deadline for returning the questionnaire is January 11, 2019.

If you need another copy of the questionnaire, contact Sheryl Elliott at 503.725.2130 or cbcor@pdx.edu, or download a copy from: <https://www.pdx.edu/ioa/oregon-community-based-care-project>.

The Oregon Health Care Association, LeadingAge, and DHS provided input on the questionnaire. The report based on the questionnaire completed by communities last year is available at <https://www.pdx.edu/ioa/oregon-community-based-care-project>
