The facility may not admit or retain the following persons:

- A person who has an ambulatory or cognitive status that is not compatible with the licensed classification;

If the facility requests a waiver or variance, the department may grant a waiver or variance to this requirement if the following conditions are met:
 - The resident's clinical condition is stable and predictable, does not change rapidly and medical orders are unlikely to involve frequent changes or complex modifications and the resident's clinical condition is one that may be treatable, or the resident has a long-term condition needing more than 3 hours of nursing care per week for more than 30 days;

IF YOUR NEEDS EXCEED THE CARE AND SERVICES WE PROVIDE

When a resident’s needs exceed the care and services we provide, we will meet with the resident and/or legal representative to discuss the circumstances, attempting to determine the most appropriate care plan and setting to meet the resident’s care and service needs. If we cannot properly care for the resident at our community due to resident’s increased needs, we may ask the resident to move to a more appropriate setting. If an agreement is not reached and attempts to resolve the issue are not successful, we may give the resident an involuntary move-out notice.

IF A RESIDENT LEAVES OUR COMMUNITY TO RECEIVE ACUTE MEDICAL, PSYCHIATRIC, NURSING FACILITY OR OTHER CARE

We will conduct an evaluation before a resident can return to the community if the resident leaves the community to receive acute medical, psychiatric, skill nursing or other care. A qualified staff person will re-evaluate your condition and determine if our community can continue to meet the resident’s needs. If we determine we can no longer meet the resident’s needs, we will issue an involuntary move-out notice and the resident will not be permitted to return to our community. We will notify the resident of this determination as soon as possible and before the resident leaves the acute care or other setting.

RIGHT TO ASK FOR AN ADMINISTRATIVE HEARING

The resident and/or legal representative has the right to ask for an administrative hearing if the resident and/or legal representative disagree with our decision to issue an involuntary move-out notice. The requirements for requesting a hearing can be found on the Administrative Hearing Request form MSC 0443. The Oregon Long Term Care Ombudsman may also be contacted for assistance in requesting a hearing. The phone for the Oregon Long Term Care Ombudsman office is: 800-522-2602 or 503-378-6533.
