We also coordinate transportation and the following additional medically related services: Podiatry Clinic and Outpatient Therapies.

2. Summary explanation of the types of care and services we do not provide.

Elite Care does not provide the following services on a routine basis: Medically complex diets, beyond the required modified special diets, (i.e., gluten free, pureed, or other dysphagia texture, ADA calorie counted, specific sodium content, renal, carbohydrate counting diet, counting fluid restriction), feeding tube, wound vacs, combative or impulsive behavior that would result in safety risk for self and others.

3. If your needs exceed the care and services we provide, we may ask you to move out.

When your needs exceed the care and services we provide, we will meet with you to discuss the circumstances, attempting to determine the most appropriate care plan and setting to meet your care and service needs. If we cannot properly care for you at our community due to your increased needs, we may ask you to move to a more appropriate setting. If an agreement is not reached and attempts to resolve the issue are not successful, we may give you an involuntary move-out notice.

4. If you leave our community to receive acute medical, psychiatric, nursing facility or other care, we will conduct an evaluation before you can return to our community.

Before you can return to our community, a qualified staff person will re-evaluate your condition and determine if our community can continue to meet your needs. If we determine we can no longer meet your needs, we will issue you an involuntary move out notice, and you will not be permitted to return to our community. We will notify you of this determination as soon as possible and before you leave the acute care or other setting.
