Residential Care Facility

The following template is available to customize for individual community use.

Mount Angel Towers, One Towers Lane, Box 2120, Mount Angel, OR 97362

1. Summary of the care and services we provide.

Mount Angel Towers provides all state required services, including general assistance with activities of daily living, food service, which includes modified special diets as necessary, medication assistance, housekeeping services and social and recreational activities. We also coordinate transportation and the following additional medically related services: Assistance with medications, coordination of health services with outside health service providers such as hospice, home health, therapy, physicians, and pharmacists, and intermittent or temporary nursing services for Residents. Additionally, we provide assistance with all activities of daily living to include personal hygiene, dressing and undressing, grooming, and assistance with eating, toileting, and bowel and bladder management.

2. Summary explanation of the types of care and services we do not provide.

Mount Angel Towers does not provide the following services on a routine basis: Diets that include celiac, renal, calorie count, mechanically soft, pureed, thickened liquids, anti-inflammatory, DASH diet, or Kosher diets. We are not able to provide care for Residents that are sliding scale diabetics, on dialysis, with ostomy, or feeding tubes, on IV therapy, or with ongoing combative/uncooperative behavior. We take patients with catheters ONLY if they have ongoing daily home health management. We do not take Residents that require 3-person transfers or a hooyer lift. Describe any health, nursing, behavior or care service you want a prospective resident to know the community is unable to provide (*e.g., medically complex diets beyond the required modified special diets, two-person transfers, specific dialysis services, etc.*)

3. If your needs exceed the care and services we provide, we may ask you to move out.

When your needs exceed the care and services we provide, we will meet with you to discuss the circumstances, attempting to determine the most appropriate care plan and setting to meet your care and service needs. If we cannot properly care for you at our community due to your increased needs, we may ask you to move to a more appropriate setting. If an agreement is not reached and attempts to resolve the issue are not successful, we may give you an involuntary move-out notice.

4. If you leave our community to receive acute medical, psychiatric, nursing facility or other care, we will conduct an evaluation before you can return to our community. Before you can return to our community, a qualified staff person will re-evaluate your condition and determine if our community can continue to meet your needs. If we determine we can no longer meet your needs, we will issue you an involuntary move out notice and you will not be permitted to return to our community. We will notify you of this determination as soon as possible and before you leave the acute care or other setting.

5. You have the right to ask for an administrative hearing if you disagree with our decision to issue you an involuntary move out notice. The requirements for requesting a hearing can be found on the Administrative Hearing Request form MSC 0443. You also may contact the Oregon Long Term Care Ombudsman for assistance in requesting a hearing. The phone number for that office is: 800-522-2602 or 503-378-6533.
