Please see next page for descriptions of each webinar session.

Webinar Session Descriptions

Quality Metrics Application Login and Navigation

This session will take providers through the process of registering for an account so they can access the Quality Metrics Application, which is the online site for providers to enter required data for the Quality Metrics Program.

Getting Started in Quality Metrics

This session offers an introduction to each of the five Quality Metrics facilities must report on, as well as how each metric is calculated, important timelines, and the data elements providers are required to track and report.

Quality Metrics Q & A

These sessions are an opportunity for providers to ask Department staff any and all questions they may have about the Quality Metrics Program and to benefit from learning the answers to others' questions.

Metric #3, Falls with Injury

These sessions are designed to assist providers in tracking and reporting data for *Metric #3, Falls with Injury*.

Metric #4, Antipsychotics Prescribed for Nonstandard Use

These sessions are designed to assist providers in tracking and reporting data for *Metric #4, Antipsychotics Prescribed for Nonstandard Use*.

All sessions are optional.

Some webinars may be recorded and posted under "Quick Links – Webinars" at:
<https://www.oregon.gov/DHS/PROVIDERS-PARTNERS/LICENSING/CBC/Pages/QM-Program-Provider-Resources.aspx>

Providers may also contact their assigned policy analyst at any time with questions.
