

Safe Medication Administration Training through DHS | OHA iLearnOregon

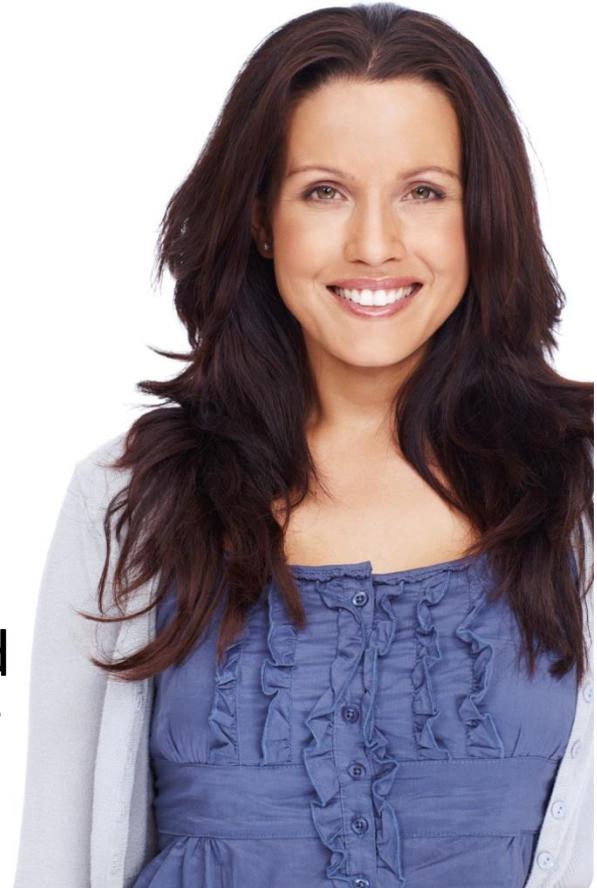

Office of Licensing and Regulatory Oversight's
Safe Medication Administration Campaign

WELCOME

- To the Office of Licensing and Regulatory Oversight (OLRO):
 - OLRO sponsors training opportunities year round through the DHS | OHA Learning Center.
 - These trainings are conducted via NetLink, which is a type of Webinar.

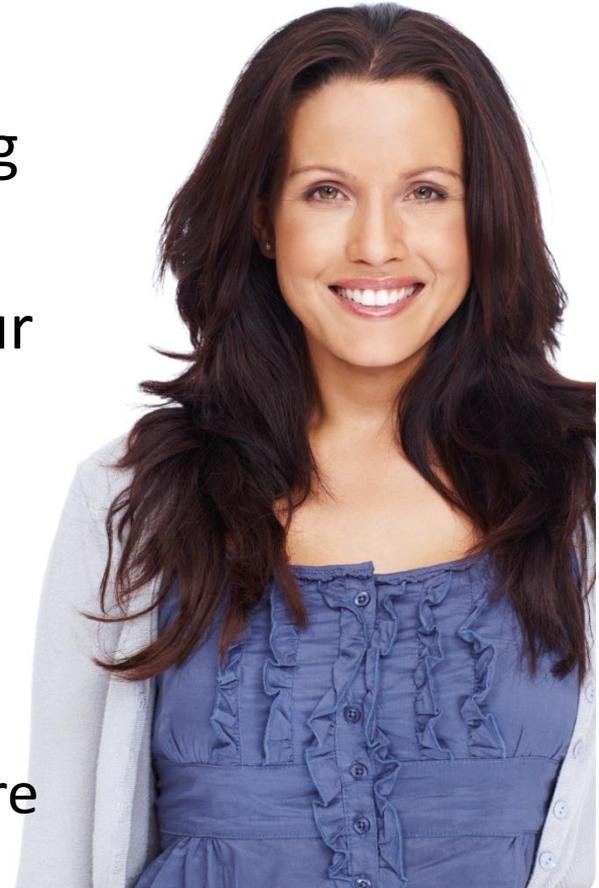

OLRO TRAINING

- NetLink training:
 - Is done at your computer;
 - Is free of charge; and
 - The training qualifies towards annual training requirements if you are:
 - Licensed or certified through DHS; **and**
 - Your setting requires annual training.

WHAT DO YOU NEED?

- To participate you will need:
 - To register with the DHS Learning Center (one time only);
 - Enroll in the class that fits your schedule;
 - Access to a computer; and
 - Access to headphones:
 - You will not need a microphone - all questions are submitted via text message.

ABOUT NETLINK

- The NetLink training format is not intended for groups:
 - Each person must be logged into a computer to take the training; and
 - Speakers are not recommended:
 - Participants have found headphones work better.
 - Remember microphones are not needed.

NETLINK TRAINING

- There are currently two classes scheduled throughout the year:
 - Six Rights and Three Checks:
 - Course #C02865;
 - 2 Training Hours.
 - Focus on the Right Time:
 - Course #C03411;
 - 2 Training Hours.

NETLINK TRAINING

- Infection control is an important part of any safe medication administration system. We recommend you also take:
 - Basics of Infection Control:
 - Course #C01532;
 - 2 Training Hours.

DHS | OHA iLearnOregon

- If you are already registered in DHS | OHA iLearnOregon log into:
 - <http://ilearn.oregon.gov>.
- Forgot your password or login?
 - No problem you will be able to retrieve the information when you go to iLearnOregon.

DHS | OHA iLearnOregon

- Not registered with iLearnOregon?
 - Instructions on how to register with the DHS | OHA iLearnOregon can be found in the Safe Medication Administration Library:
 - iLearnOregon Partner Instructions.

DHS | OHA Learning Center

- To make sure your learning experience is positive:
 - Test your computer soon after you register. Don't wait to do it just before class; and
 - Download all course materials before you start the class. This gives you tools to take notes.
- See you in class!
