Monday, August 20, 2018

10:00 am – noon

3406 Cherry Ave. Salem OR 97303

Room 123

10:00 am – 10:15

- Introductions

10:15 am – 10:30

- Update on the HB 3359 requirement to create a new endorsement type of Residential Care Facility for high need individuals. This resident population does best in a small setting, with highly trained direct care providers. We are proposing amendments to administrative rule to accomplish this purpose.

10:30 am - noon

- **OAR Chapter 411, Division 54** contains the existing requirements for licensing Residential Care Facilities. These rules have been amended to incorporate requirements of HB 3359, including necessary amendments to accommodate the IIC endorsement. (These rules were effective as of July 1st.) We will not need to amend these rules further and therefore do not need to discuss any changes to this language during this meeting; we are providing these rules simply for reference.
- **OAR Chapter 411, Division 55** contains the new proposed rule section specifically pertaining to the IIC homes. This is the language we would like to discuss with you during the meeting. Once this rule has been finalized, we can finish the rulemaking process for this new endorsement type.
