

April 9, 2020

To: All CDDP and Brokerage Directors, and CIIS and Children's Residential Managers

From: Lilia Teninty, Director, Office of Developmental Disabilities Services

I'm disappointed to announce that we cancelled the 2020 SC/PA Conference due to the COVID-19 pandemic and uncertainties around its long-lasting impacts. This conference provides important connections and resources and we will all miss this opportunity to gather and learn from one another.

We are exploring ways to get you critical information and support your professional development needs without a traditional conference. We will be in touch with more information.

We know you are stretched, working tirelessly to ensure the individuals and families are safe, people get the essential services they need, and that you are able to support your own families and yourself. Please stay safe and healthy. You, and the work you do, matter to the thousands of people who rely on us every day.

Sincerely,
