From: Lilia Teninty, Director, Office of Developmental Disabilities Services  
Subject: Brokerage services in wake of Mentor closing

As highlighted in a [recent message](#), The Mentor Network will end services in Oregon on August 31, 2021.

This closure includes Brokerage services to about 1,200 adults with intellectual and developmental disabilities.

ODDS is reviewing a proposal from the [Oregon Support Services Association](#), an organization that represents Oregon's Brokerages, to cover Mentor's existing brokerage services. We will communicate next steps once details have been finalized.

Thank you to all the Brokerages and providers who have stepped in to ensure Oregonians with I/DD will continue to have access to quality supports and services.

Sincerely,

A handwritten signature in black ink that reads "Lilia".
