To: ODDS Stakeholders

From: Lilia Teninty, Director, Office of Developmental Disabilities Services

Subject: Impact Oregon Video

In January 2021, the Office of Developmental Disabilities Services (ODDS) launched [Impact Oregon](#), a new website for to connect job seekers with careers in the developmental disabilities field.

Since then, we have launched an [online toolkit](#) and a paid social media advertising campaign aimed at reaching Oregonians about this exciting new resource.

We also just released a new promotional video that shows what Impact Oregon does: https://youtu.be/A_oamNyv38s

We need your help to spread the word! ODDS is asking that case management entities, providers and any stakeholders [share the video](#) on your social media platforms and your websites. Use the [online toolkit](#) to print on-demand flyers. And if your agency has a website, please link to Impact Oregon from your site: <https://impactoregon.careers>

We are all working together to improve provider capacity and bring talented people into our workforce. If we can spread the word about [Impact Oregon](#) as a statewide resource, more Oregonians will learn about the possibilities available in the developmental disabilities.

Thank you for your support and efforts.

Sincerely,

Lilia Teninty
Director
Office of Developmental Disabilities Services
