Subject: Brokerage services plan

This is an update to my [June 11 message](#) regarding the proposal to cover Mentor's existing brokerage services. Mentor ends services in Oregon on August 31, 2021.

ODDS has accepted a plan from Brokerages that includes the following:

- [Self-Determination Resources, Inc.](#) (SDRI) will expand in Washington County.
- Multnomah and Clackamas Counties will be covered by [UCP Connections](#).
- The Mid-Valley area (Marion, Linn, Lane, Benton and Polk counties) will be covered by [Resource Connections of Oregon](#), or RCO.
- Each individual's current Personal Agent from Mentor will talk to them about their options and choices including:
 - Stay with Mentor Oregon for now and automatically transfer to the new Brokerage by September 1, 2021;
 - Choose a different Brokerage if there is availability in the area; or
 - Choose to go to a Community Developmental Disabilities Program (CDDP).

If individuals have questions, they should contact their current Personal Agent at Mentor. Their current Personal Agent should work on their requests and choices and help them get to a new case management entity if they do not plan to automatically transition as described above.

ODDS and the Brokerages also have a [Frequently Asked Questions document](#) to assist.

Thank you to all the Brokerages and providers who have stepped in to ensure Oregonians with I/DD will continue to have access to quality supports and services.

Sincerely,

A handwritten signature in black ink, appearing to read "Lilia". The signature is fluid and cursive, with a large loop at the beginning.
