

March 9, 2020

To: All ODDS Staff and Stakeholders

From: Lilia Teninty, Director, Office of Developmental Disabilities Services

Since the first cases of COVID-19 were identified in Oregon, ODDS has been providing our staff and stakeholders with prevention materials and updates on the spread of the virus, provided by the Oregon Health Authority and available on its [web page](#).

At the same time, ODDS has been developing its own resources and materials specific to the needs of our staff, case management entities, providers and individuals and families. To make it easier for you get the latest information from ODDS, we have created a webpage, available at:

<https://www.oregon.gov/DHS/SENIORS-DISABILITIES/DD/Pages/ODDS-COVID-19-Information.aspx>

We will be posting ODDS COVID-19-related information and resources, including relevant transmittals, questions from the field, and more, as they become available. Please bookmark this page and check regularly for updates. You can also subscribe to receive information when the site is updated.

We encourage you to continue to check the Oregon Health Authority [webpage](#) for the latest information about COVID-19 in Oregon.

Sincerely,

A handwritten signature in black ink, appearing to read "Lilia", is positioned below the "Sincerely," text.

Lilia Teninty

Director  
Office of Developmental Disabilities Services
