From: Lilia Teninty, Director, Office of Developmental Disabilities Services
Subject: ODDS Guidance on Masks

The Oregon Health Authority recently released new guidance regarding masks for people who are fully vaccinated against COVID-19 to align with recent changes from the CDC.

The Office of Developmental Disabilities Services is carefully reviewing this guidance and considering changes that may be needed to our guidance.

At this time, ODDS asks that everyone continue to follow current ODDS guidance and policies. All current worker guides and policies are on the [ODDS COVID-19 web page](#).

Sincerely,
