Please read this message about an important training for people with intellectual and developmental disabilities (I/DD), their families and guardians.

The Compass Project is moving forward to make Oregon's I/DD services more person focused, clearer and easier to understand. ODDS is working to make the system even more focused on what people need in their lives based on their needs, interests and preferences.

ODDS is hosting a "Compass Overview" training to help those with intellectual and developmental disabilities (I/DD), their families and guardians better understand the main parts of the Compass Project. These include the Oregon Needs Assessment (ONA), exceptions, service groups and more about how the project will affect those who receive services and their families. Please attend.

When: 6 to 7:30 p.m. March 16, 2022

Audience: Those who receive I/DD services in Oregon and their families

Where: The meeting will be held on Zoom. Use this link —
