From: Lilia Teninty, Director, Office of Developmental Disabilities Services  
Subject: Survey opportunity to provide feedback on HIPAA approved technology needs

As you're likely already aware, we were given permission during the public health emergency to use all forms of technology to continue to deliver services and keep people safe. With the public health emergency ending, we will need to return to HIPAA approved technology. ODDS has \$10 million of [American Rescue Plan Act \(ARPA\) grant funding](#) to help case management entities and providers continue offering services or supports that will require HIPAA compliance

ODDS has developed a brief survey to collect input from partners about your needs for HIPAA approved technology. Please share your feedback and pass along this survey to others who may be interested in doing the same. The deadline to complete the survey is May 3, and it can be accessed at the [ODDS Engagement and Innovation webpage](#).

If you have questions about ODDS ARPA grants, please email [ODDSARPA.funding@dhsosha.state.or.us](mailto:ODDSARPA.funding@dhsosha.state.or.us).

Thank you in advance for completing this important survey.

Sincerely,

A handwritten signature in black ink, appearing to read "Lilia".
