Sept. 28, 2022

To: Case management entities (CMEs) and provider agencies
From: Office of Developmental Disabilities Services (ODDS)
Subject: EXTENDED — 5% COVID-19 rate increase

Thanks to a late advocacy push, ODDS received approval to continue the emergency 5% Covid-19 rate increase through the end of the calendar year, Dec. 31, 2022.

Services receiving the continued 5% increase include:

- Professional behavior services
- Children's foster care
- Child and adult group homes
- Host Homes
- Day support activities
- Employment

For add-ons, ODDS has already included the 5% increase for children's residential rates. Regarding add-ons for all other services' rates, we will run a manual process that will pay out the 5% difference quarterly.

If you have questions about this, please direct them to ODDS.questions@odhsoha.oregon.gov.

Sincerely,

Office of Developmental Disabilities Services
