To: Case management entities (CMEs)
From: Lilia Teninty, Director, Office of Developmental Disabilities Services
Subject: ODDS training survey for CMEs

I'm excited to share that ODDS' new Training Unit is eager to expand and improve ODDS' training efforts throughout Oregon.

The first step is to improve the unit's understanding of CMEs' training needs. This will help the unit to inform their goals. We invite CMEs to share their feedback in the [Training Assessment Survey online using this link](#) or QR code.

The training unit will use the survey's results to provide trainings that:

- Ensure consistency on current policies and procedures.
- Embrace standards for diversity, equity and inclusion.
- Enhance connections between those providing supports and those being supported.

The survey will take roughly three to five minutes and is hosted on Survey Monkey. Your responses are anonymous and will not be linked to your name or email address unless you choose to share that information in an answer.

We invite all staff members at CMEs to complete the survey. CME leadership, please share the survey link and deadline with your staff members. We want to hear from abuse investigators, eligibility specialists, lead supervisors, directors, managers, designated regional coordinators, services coordinators, personal agents, quality assurance units and all other staff.

Please [complete the survey online by Nov. 7, 2022](#). If you have questions regarding the survey, email odds.training@odhsoha.oregon.gov.

Thank you for helping us to improve ODDS' future trainings.

Sincerely,
