To ODDS Providers and Case Management Entities:

This message is to inform Case Management Entities and ODDS Providers that provide adult foster care and 24-hour residential (group home) services that ODDS provided contact information for all providers to the Centers for Disease Control (CDC) for enrollment in the Pharmacy Partnership for Long-term Care (LTC) Program: <https://www.cdc.gov/vaccines/covid-19/long-term-care/pharmacy-partnerships.html>

This means that it is possible the CDC might contact your organization to coordinate on vaccination clinic planning. You are encouraged to participate.
