

**Note:** Beginning in May 2022, ODDS will post these reports monthly during the first full week of the month.

**Note:** ODDS COVID data is based on self-reports from providers and case management entities and therefore may differ from testing data received from the Oregon Health Authority.

**Note:** COVID-19 numbers in this report may increase or decrease based on reports received and ongoing data analysis.

The Jan. 18, 2022 report from ODDS was the last one that contains positive case numbers for staff in developmental disabilities settings. Moving forward, ODDS will report only on COVID-19 positive or presumptive positive cases for individuals in services.

### **I/DD Foster Homes**

Foster care homes serve children and adults with intellectual and developmental disabilities. The number of individuals residing in each home is on average three to four. Adult I/DD foster care homes are privately owned by a person who may also live in the home along with the residents.

The number of licensed/certified homes and individuals receiving services in those settings as of August 2022:

- Child DD foster care = 273 homes, supporting 189 children
- Adult DD foster care = 1,084 homes, supporting 2,773 adults

COVID-19 cases reported as of Sept. 5, 2022:

- Individuals: 463 in adult foster homes; 34 in child foster home

COVID-19 deaths reported as of Sept. 5, 2022:

- Individuals: 16 adults in foster homes

### **Group Homes**

Group homes serve children and adults with intellectual and developmental disabilities. The number of individuals residing in each home is on average three to four. Group homes are owned by an agency with rotating staff shifts.

The number of licensed/certified homes and individuals receiving services in those settings as of August 2022:

- Child DD residential = 43 homes, supporting 113 children
- Adult DD group homes = 1,028 homes, supporting 3,098 adults

COVID-19 cases reported as of Sept. 5, 2022.

- Individuals: 1,009 in adult group homes; 67 in child group homes

COVID-19 deaths reported as of Sept. 5, 2022:

- Individuals: 20 in adult group homes

### **In-home services**

Providers contracted by ODDS provide essential in-home supports to people with I/DD in their homes in the community.

COVID-19 cases reported as Sept. 5, 2022.

- Individuals: 1,100 adults; 421 children

COVID-19 deaths reported as of Sept. 5, 2022:

- Individuals: 24 adults in in-home services; 1 child in in-home services
