DEVELOPMENTAL DISABILITIES  
OREGON ADMINISTRATIVE RULES**

**CHAPTER 411  
DIVISION 328**

**SUPPORTED LIVING SERVICES FOR ADULTS WITH INTELLECTUAL  
OR DEVELOPMENTAL DISABILITIES**

**EFFECTIVE JULY 1, 2013**

**411-328-0550 Statement of Purpose, Mission Statement, and Statutory  
Authority**

*(Renumbered from OAR 309-041-0550 12/9/2009)*

(1) Purpose. These rules prescribe standards by which the Seniors and People with Disabilities Division approves programs that provide supported living services for individuals with developmental disabilities.

(2) The overall mission of the Seniors and People with Disabilities Division, Office of Developmental Disability Services is to provide support services that enhance the quality of life of persons with developmental disabilities.

(a) Supported living services are a key element in the service delivery system and are critical to achieving this mission.

(b) The goal of supported living is to assist individuals to live in their own homes, in their own communities.

(c) The term "Supported Living" refers to a service which provides the opportunity for persons with developmental disabilities to live in the residence of their choice within the community with recognition that needs and preferences may change over time. Levels of support are based upon individual needs and preferences as defined in the Individual Support Plan. Such services may include up to 24 hours per day of paid supports which are provided in a manner that protects individuals' dignity.

(d) The service provider is responsible for developing and implementing policies and procedures and/or plans that ensure that the requirements of this rule are met.

(e) In addition, the service provider must ensure services comply with all applicable local, state and federal laws and regulations.

(f) The purpose of this rule is to ensure that the service provider meets basic management, programmatic, health and safety, and human rights regulations for those individuals receiving supported living services funded by the Seniors and People with Disabilities Division.

(3) Statutory Authority. These rules are authorized by ORS 409.050 and 410.070 and carry out the provisions of ORS 430.610, 430.630, and 430.670.

(7) "Annual Individual Support Plan (ISP) Meeting" means an annual meeting, facilitated by an individual's services coordinator and attended by an individual's ISP team. The purpose of the meeting is to determine an individual's needs, coordinate services and training, and develop the individual's ISP.

(8) "Board of Directors" mean the group of persons formed to set policy and give directions to a service provider that provides supported living services. A board of directors includes local advisory boards used by multi-state organizations.

(9) "Case Management" means an organized service to assist individuals to select, obtain, and utilize resources and services.

(10) "CDDP" means "Community Developmental Disability Program" as defined in this rule.

(11) "Certificate" means the document issued by the Department to a service provider that certifies the service provider is eligible under the rules in OAR chapter 411, division 323 to receive state funds for the provision of endorsed supported living services.

(12) "Choice" means an individual's expression of preference, opportunity for, and active role in decision-making related to services received and from whom, including but not limited to case management, service providers, and service settings. Personal outcomes, goals, and activities are supported in the context of balancing an individual's rights, risks, and personal choices. Individuals are supported in opportunities to make changes when so expressed. Choice may be communicated verbally, through sign language, or by other communication methods.

(13) "Community Developmental Disability Program (CDDP)" means the entity that is responsible for the planning and delivery of services for individuals with intellectual or developmental disabilities according to OAR chapter 411, division 320. A CDDP operates in a specific geographic service area of the state under a contract with the Department, local mental health authority, or other entity as contracted by the Department.

(14) "Community First Choice State Plan" means Oregon's state plan amendment authorized under section 1915(k) of the Social Security Act.

(15) "Complaint Investigation" means the investigation of any complaint that has been made to a proper authority that is not covered by an abuse investigation.

(16) "Controlled Substance" means any drug classified as Schedules 1 through 5 under the Federal Controlled Substance Act.

(17) "Department" means the Department of Human Services (DHS). The term "Department" is synonymous with "Seniors and People with Disability Division (Division)(SPD)".

(18) "Developmental Disability" means a neurological condition that originates in the developmental years, that is likely to continue, and significantly impacts adaptive behavior as diagnosed and measured by a qualified professional as described in OAR 411-320-0080.

(19) "Director" means the Director of the Department's Office of Developmental Disability Services or the Director's designee. The term "Director" is synonymous with "Assistant Director".

(20) "Endorsement" means the authorization to provide supported living services issued by the Department to a certified service provider that has met the qualification criteria outlined in these rules and the rules in OAR chapter 411, division 323.

(21) "Entry" means admission to a Department-funded developmental disability service.

(22) "Executive Director" means the person designated by a board of directors or corporate owner that is responsible for the administration of supported living services.

(a) Services from a service provider; or

(b) Department-funded developmental disability services.

(24) "Founded Reports" means the Department's or Law Enforcement Authority's (LEA) determination, based on the evidence, that there is reasonable cause to believe that conduct in violation of the child abuse statutes or rules has occurred and such conduct is attributable to a person alleged to have engaged in the conduct.

(25) "Functional Needs Assessment (FNAT)" means an assessment that documents the level of need, accommodates an individual's participation in service planning, and includes --

(a) Completing a comprehensive and holistic assessment;

(b) Surveying physical, mental, and social functioning; and

(c) Identifying risk factors, choices and preferences, and service needs.

(26) "Health Care Provider" means the person or health care facility licensed, certified, or otherwise authorized or permitted by Oregon law to administer health care in the ordinary course of business or practice of a profession.

(27) "Home and Community-Based Waivered Services" mean the services approved by the Centers for Medicare and Medicaid Services in accordance with Sections 1915(c) and 1115 of the Social Security Act.

(28) "Incident Report" means the written report of any injury, accident, acts of physical aggression, or unusual incident involving an individual.

(29) "Independence" means the extent to which individuals exert control and choice over their own lives.

(30) "Individual" means an adult with an intellectual or developmental disability applying for or determined eligible for developmental disability services.

(31) "Individual Profile" means the written profile that describes an individual entering into supported living services. The profile may consist of materials or assessments generated by a service provider or other related agencies, consultants, family members, or advocates.

(32) "Individual Support Plan (ISP)" means the written details of the supports, activities, and resources required for an individual to achieve personal outcomes. Individual support needs are identified through a Functional Needs Assessment. The manner in which services are delivered, service providers, and the frequency of services are reflected in an ISP. The ISP is developed at minimum annually to reflect decisions and agreements made during a person-centered process of planning and information gathering. The ISP includes an individual's Plan of Care for Medicaid purposes and reflects whether services are purchased through a waiver, state plan, or provided through an individual's natural supports.

(33) "Individual Support Plan (ISP) Team" means a team composed of an individual receiving services and the individual's legal representative, services coordinator or personal agent, and others chosen by the individual. Others chosen by the individual may include service providers, family members, or other persons requested by the individual.

(34) "Integration" as defined in ORS 427.005 means:

(a) The use by individuals with intellectual or developmental disabilities of the same community resources used by and available to other persons;

(b) Participation by individuals with intellectual or developmental disabilities in the same community activities in which persons without an intellectual or developmental disability participate, together with regular contact with persons without an intellectual or developmental disability; and

(c) Individuals with intellectual or developmental disabilities reside in homes or home-like settings that are in proximity to community resources and foster contact with persons in the community.

(35) "Intellectual Disability" has the meaning set forth in OAR 411-320-0020 and described in OAR 411-320-0080.

(36) "Involuntary Transfer" means a service provider has made the decision to transfer an individual and the individual or the individual's legal representative has not given prior approval.

(37) "ISP" means "Individual Support Plan" as defined in this rule.

(38) "Legal Representative" means an attorney at law who has been retained by or for an individual or a person or agency authorized by a court to make decisions about services for an individual.

(39) "Level of Care" means an assessment completed by a services coordinator has determined an individual meets institutional level of care. An individual meets institutional level of care for an intermediate care facility for individuals with intellectual or developmental disabilities if --

(a) The individual has a condition of an intellectual disability or a developmental disability as defined in OAR 411-320-0020 and meets the eligibility criteria for developmental disability services as described in OAR 411-320-0080; and

(b) The individual has a significant impairment in one or more areas of adaptive functioning. Areas of adaptive functioning include self direction, self care, home living, community use, social, communication, mobility, or health and safety.

(40) "Mandatory Reporter" means any public or private official as defined in OAR 407-045-0260 who, is a staff or volunteer working with an adult with an intellectual or developmental disability who, while acting in an official capacity, comes in contact with and has reasonable cause to believe an adult with an intellectual or developmental disability has suffered abuse, or comes in contact with any person whom the official has reasonable cause to believe abused an adult with an intellectual or developmental disability.

Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this section of this rule, except that a psychiatrist, psychologist, clergy, or attorney is not required to report if the communication is privileged under ORS 40.225 to 40.295.

(41) "Medicaid Agency Identification Number" means the numeric identifier assigned by the Department to a service provider following the service provider's enrollment as described in OAR chapter 411, division 370.

(42) "Medicaid Performing Provider Number" means the numeric identifier assigned to an entity or person by the Department, following enrollment to deliver Medicaid funded services as described in OAR chapter 411, division 370. The Medicaid Performing Provider Number is used by the rendering service provider for identification and billing purposes associated with service authorizations and payments.

(43) "Medication" means any drug, chemical, compound, suspension, or preparation in suitable form for use as a curative or remedial substance taken either internally or externally by any person.

(44) "Natural Supports" or "Natural Support System" means the resources available to an individual from the individual's relatives, friends, significant others, neighbors, roommates, and the community. Services provided by natural supports are resources that are not paid for by the Department.

(45) "Needs Meeting" means a process in which an Individual Support Plan team defines the services and supports an individual needs to live in his or her own home, and makes a determination as to the feasibility of creating such services. The information generated in a needs meeting or discussion is used by a service provider to develop an individual's Transition Plan.

(46) "OSIP-M" means Oregon Supplemental Income Program-Medical as defined in OAR 461-101-0010. OSIP-M is Oregon Medicaid insurance coverage for an individual who meets eligibility criteria as described in OAR chapter 461.

(47) "Personal Futures Planning" means an optional planning process for determining activities, supports, and resources that best create a desirable future for an individual . The planning process generally occurs around

major life transitions (e.g. moving into a new home, graduation from high school, marriage, etc.).

(48) "Person-Centered Planning" means:

(a) A process, either formal or informal, for gathering and organizing information that helps an individual:

(A) Determine and describe choices about personal goals, activities, and lifestyle preferences;

(B) Design strategies and networks of support to achieve goals and a preferred lifestyle using individual strengths, relationships, and resources; and

(C) Identify, use, and strengthen naturally occurring opportunities for support at home and in the community.

(b) The methods for gathering information vary, but all are consistent with individual needs and preferences.

(49) "Prescription Medication" means any medication that requires a physician's prescription before the medication may be obtained from a pharmacist.

(50) "Productivity" as defined in ORS 427.005 means:

(a) Engagement in income-producing work by an individual that is measured through improvements in income level, employment status, or job advancement; or

(b) Engagement by an individual in work contributing to a household or community.

(51) "Protection" and "Protective Services" means necessary actions taken as soon as possible to prevent subsequent abuse or exploitation of an individual, to prevent self-destructive acts, or to safeguard an individual's person, property, and funds.

(52) "Protective Physical Intervention (PPI)" means any manual physical holding of, or contact with, an individual that restricts the individual's freedom of movement. The term "protective physical intervention" is synonymous with "physical restraint".

(53) "Psychotropic Medication" means medication the prescribed intent of which is to affect or alter thought processes, mood, or behavior including but not limited to anti-psychotic, antidepressant, anxiolytic (anti-anxiety), and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed.

(54) "Self-Administration of Medication" means an individual manages and takes his or her own medication, identifies his or her own medication and the times and methods of administration, places the medication internally in or externally on his or her own body without staff assistance upon written order of a physician, and safely maintains the medication without supervision.

(55) "Service Provider" means a public or private community agency or organization that provides recognized developmental disability services and is certified and endorsed by the Department to provide these services under these rules and the rules in OAR chapter 411, division 323. The use of the terms "agency", "provider", or "program" are synonymous with "service provider."

(56) "Services Coordinator" means an employee of a community developmental disability program or other agency that contracts with the county or Department, who is selected to plan, procure, coordinate, and monitor Individual Support Plan services, and to act as a proponent for individuals.

(57) "Significant Other" means a person selected by an individual to be the individual's friend.

(58) "Staff" means paid employees responsible for providing services to individuals whose wages are paid in part or in full with funds sub-contracted with the community developmental disability program or contracted directly through the Department.

(59) "Substantiated" means an abuse investigation has been completed by the Department or the Department's designee and the preponderance of the evidence establishes the abuse occurred.

(60) "Support" means the assistance that an individual requires, solely because of the affects of an intellectual or developmental disability, to maintain or increase independence, achieve community presence and participation, and improve productivity. Support is subject to change with time and circumstances.

(61) "Supported Living" means the endorsed service that provides the opportunity for individuals to live in a residence of their own choice within the community. Supported living is not grounded in the concept of "readiness" or in a "continuum of services model" but rather provides the opportunity for individuals to live where they want, with whom they want, for as long as they desire, with a recognition that needs and desires may change over time.

(62) "These Rules" mean the rules in OAR chapter 411, division 328.

(63) "Transfer" means movement of an individual from one type of service to another type of service administered or operated by the same service provider.

(64) "Transition Plan" means the written plan of services and supports for the period of time between an individual's entry into a particular service and the development of the individual's Individual Support Plan(ISP). The Transition Plan is approved by the individual's services coordinator and includes a summary of the services necessary to facilitate adjustment to the services offered, the supports necessary to ensure health and safety, and the assessments and consultations necessary for ISP development.

(65) "Unusual Incident" means any incident involving an individual that includes serious illness or accidents, death, injury or illness requiring inpatient or emergency hospitalization, suicide attempts, a fire requiring the services of a fire department, or any incident requiring an abuse investigation.

(66) "Variance" means the temporary exception from a regulation or provision of these rules that may be granted by the Department upon written application by a service provider.

(67) "Volunteer" means any person assisting a service provider without pay to support the services provided to an individual.

**411-328-0620 Variances**  
*(Amended 1/6/2012)*

(1) The Department may grant a variance to these rules based upon a demonstration by the service provider that an alternative method or different approach provides equal or greater program effectiveness and does not adversely impact the welfare, health, safety, or rights of individuals.

(2) The service provider requesting a variance must submit, in writing, an application to the CDDP that contains the following:

- (a) The section of the rule from which the variance is sought;
- (b) The reason for the proposed variance;
- (c) The alternative practice, service, method, concept or procedure proposed; and
- (d) If the variance applies to an individual's services, evidence that the variance is consistent with an individual's currently authorized ISP.

(3) The CDDP must forward the signed variance request form to the Department within 30 days of receipt of the request indicating its position on the proposed variance.

(4) The Department shall approve or deny the request for a variance.

(5) The Department's decision shall be sent to the service provider, the CDDP, and to all relevant Department programs or offices within 30 calendar days of receipt of the variance request.

(6) The service provider may appeal the denial of a variance request within 10 working days of the denial, by sending a written request for review to the Director and a copy of the request to the CDDP. The Director's decision is final.

(7) The Department shall determine the duration of the variance.

(8) The service provider may implement a variance only after written approval from the Department.

**411-328-0630 Health: Medical Services**

*(Amended 1/6/2012)*

(1) All individuals' medical records must be kept confidential as described in OAR 411-323-0060.

(2) Individuals must receive sufficient oversight and guidance by the service provider to ensure that the individual's health and medical needs are adequately addressed.

(3) Written health and medical supports must be developed as required by the individual's ISP team and integrated into the Transition Plan or ISP. The Plan must be based on a review or identification of the individual's health and medically related support needs and preferences, and updated annually or as significant changes occur.

(4) The service provider must have and implement written policies and procedures that maintain or improve the physical health of individuals. Policies and procedures must address:

(a) Early detection and prevention of infectious disease;

(b) Emergency medical intervention;

(c) Treatment and documentation of illness and health care concerns; and

(d) Obtaining, administering, storing, and disposing of prescription and non-prescription drugs including self administration.

(5) The service provider must ensure each individual has a primary physician whom the individual has chosen from among qualified providers.

(6) Provisions must be made for a secondary physician or clinic in the event of an emergency.

(7) The service provider must ensure that individuals have a medical evaluation by a physician no less often than every two years or as recommended by a physician. Evidence of the evaluation must be placed in the individual's record and must address:

(a) Current health status;

- (b) Changes in health status;
- (c) Recommendations, if any, for further medical intervention;
- (d) Any remedial and corrective action required and when such actions were taken;
- (e) Statement of restrictions on activities due to medical limitations; and
- (f) A review of medications, treatments, special diets, and therapies prescribed.

(8) Before entry, the service provider must obtain the most complete medical profile available including:

- (a) The results of a physical exam made within 90 days prior to entry;
- (b) Results of any dental evaluation;
- (c) A record of immunizations;
- (d) Status of Hepatitis B screening;
- (e) A record of known communicable diseases and allergies; and
- (f) A summary of the individual's medical history including chronic health concerns.

(9) The provider must ensure that all medications, treatments, and therapies:

- (a) Have a written order or copy of the written order, signed by a physician or physician designee, before any medication, prescription, or non-prescription, is administered to or self-administered by the individual unless otherwise indicated by the ISP team in the written health and medical support section of the ISP or Transition Plan.
- (b) Be followed per written orders.

(10) PRN orders are not allowed for psychotropic medication.

(11) The drug regimen of each individual on prescription medication must be reviewed and evaluated by a physician or physician designee, no less often than every 180 days unless otherwise indicated by the ISP team in the written health and medical support section of the ISP or Transition Plan.

(12) All prescribed medications and treatments must be self-administered unless contraindicated by the ISP team. For individuals who require assistance in the administration of their own medications, the following must be required:

(a) The ISP team has recommended that the individual be assisted with taking their medication;

(b) There is a written training program for the self-administration of medication unless contraindicated by the ISP team; and

(c) There is a written record of medications and treatments that document physician's orders are being followed.

(13) For individuals who independently self-administer medications, there must be a plan for the periodic monitoring or review of medications on each individual's ISP.

(14) The service provider must assist individuals with the use of prosthetic devices as ordered.

**411-328-0750 Rights: Personalized Plans**

*(Renumbered from OAR 309-041-0750 12/9/2009)*

(1) Team process. The decision to support an individual so that he/she can live in and maintain his/her own home requires significant involvement from the individual and his/her ISP team. In supported living, this process is characterized by a series of team meetings or discussions to determine what personalized supports the individual will need to live in his/her home, a determination as to the feasibility of creating such supports, and the development of a written plan which describes services the individual will receive upon entry into supported living.

(2) Needs meeting. Prior to moving into his/her own home, the ISP team shall meet to discuss the individual's projected service needs in a needs meeting. This meeting shall:

- (a) Review information related to the individual's health and medical, safety, dietary, financial, social, leisure, staff, mental health and behavioral support needs and preferences;
- (b) Include any potential providers, the individual and other ISP team members;
- (c) Result in a written list of supports and services needed; and
- (d) Discuss the selection of potential providers based on list of support and services needed.

(3) Transition plan. The provider will be required to spend time getting to know the individual personally before working on the development of the transition plan. The individual, provider, and other ISP team members shall participate in an entry meeting prior to the initiation of services. The outcome of this meeting shall be a written transition plan which shall take effect upon entry and shall:

- (a) Address the individual's health and medical, safety, dietary, financial, staffing, mental health and behavioral support needs and preferences as required by the ISP team;
- (b) Indicate who is responsible for providing the supports described in the plan;
- (c) Be based on the list of supports identified in the needs meeting and other assessments and/or consultation required by the ISP team; and
- (d) Be in effect and available at the site until the ISP is developed and approved by the ISP team.

(4) Individual support team membership. The team shall include the individual, the case manager, the individual's legal guardian, representatives of all current service providers, the provider who will

provide supported living services, and advocate or others determined appropriate by the individual receiving services.

(5) Individual support plan. A copy of each individual's Individual Support Plan shall be developed and approved by the ISP team within 90 days of entry and shall be available at the individual's home within 30 days of development and approval. The plan shall:

(a) Be based on a review and identification of the individual's service needs and preferences;

(b) Include a summary of the services related to the individual's health and medical, safety, dietary, financial and mental health and behavioral needs and preferences as determined by the ISP team;

(c) Identify who is responsible for providing the services and supports described in the plan; and

(d) Be updated as significant changes occur and/or at least annually.

(6) Distribution of ISP document. The case manager shall ensure distribution of a copy of the ISP to all team members within 30 calendar days of the ISP team meeting.

(7) Individual Profile. The program shall develop a written profile which describes the individual. This information shall be used in training new staff. The profile shall be completed within 90 days of entry. The profile shall include information related to the individual's history or personal highlights, lifestyle and activity choices and preferences, social network/significant relationships, and other information that helps describe the individual.

(8) Profile composition. The profile shall be composed of written information generated by the program. It may include reports of assessments or consultations; historical or current materials developed by the CMHP, training centers, and/or nursing homes; material/pictures from the family and/or advocates; newspaper articles; and other relevant information.

(9) Profile maintained. The profile shall be maintained at the service site and updated as significant changes occur.

**411-328-0760 Rights: Behavior Intervention**

*(Renumbered from OAR 309-041-0760 12/9/2009)*

(1) Written policy. The service provider shall have and implement a written policy concerning behavior intervention procedures. The service provider shall inform the individual and his/her legal guardian of the behavior intervention policy and procedures at the time of entry and as changes occur.

(2) Implementation of a program to alter an individual's behavior. A decision to implement a program to alter an individual's behavior shall be made by the ISP team and the program shall be described fully in the individual's ISP. The program shall:

(a) Emphasize the development of the functional alternative behavior and positive approaches and positive behavior intervention;

(b) Use the least intervention possible;

(c) Ensure that abusive or demeaning intervention shall never be used; and

(d) Be evaluated by the service provider through timely review of specific data on the progress and effectiveness of the procedure.

(3) Documentation requirements. Documentation regarding the behavior program shall include:

(a) Documentation that the individual, the guardian, and ISP team are fully aware of and consent to the program in accordance with the ISP process as defined in the Case Management Services Rule OAR 411-320-0120;

(b) Documentation of all prior programs used to develop an alternative behavior; and

(c) A functional analysis of the behavior which has been completed prior to developing the behavior program by a trained staff member and/or consultant. This written record shall include:

(A) A clear, measurable description of the behavior to include frequency, duration, intensity and severity of the behavior;

(B) A clear description of the need to alter the behavior;

(C) An assessment of the meaning of the behavior, which includes the possibility that the behavior is:

(i) An effort to communicate;

(ii) The result of medical conditions;

(iii) The result of environmental causes; or

(iv) The result of other factors;

(d) A description of the conditions which precede the behavior in question;

(e) A description of what appears to reinforce and maintain the behavior; and

(f) A clear and measurable procedure which will be used to alter the behavior and develop the functional alternative behavior.

#### **411-328-0770 Rights: Physical Restraints**

*(Renumbered from OAR 309-041-0770 12/9/2009)*

(1) Circumstances when physical restraint allowed. The service provider shall only employ physical restraint:

(a) As part of an Individual Support Plan that meets OAR 411-328-0760 of this rule;

(b) As an emergency measure, but only if absolutely necessary to protect the individual or others from immediate injury; or

(c) As a health-related protection prescribed by a physician, but only if necessary for individual protection during the time that a medical condition exists.

(2) Staff training. Staff members who need to apply restraint as part of an individual's ongoing training program shall be trained by a Division approved trainer. Documentation verifying such training shall be maintained in his/her personnel file.

(3) Physical restraints in emergency situations. Physical restraints in emergency situations shall:

(a) Be only used until the individual is no longer a threat to self or others;

(b) Be authorized by the program's director or designee, or physician;

(c) Be authorized within one hour of application of restraint;

(d) Result in the immediate notification of the individual's case manager or CMHP designee; and

(e) Prompt an ISP meeting, initiated by the service provider, if used more than three times in a six month period.

(4) Avoid physical injury. Physical restraint shall be designed to avoid physical injury to the individual or others, and to minimize physical and psychological discomfort.

(5) Incident report. All use of physical restraint shall be documented in an incident report. The report shall include:

(a) The name of the individual to whom the restraint is applied;

(b) The date, type and length of time, of restraint application;

(c) The name and position of the person authorizing the use of the restraint;

(d) The name of the staff member(s) applying the restraint; and

(e) Description of the incident.

(6) Copy to CMHP. A copy of the incident report shall be forwarded within five working days of the incident to the Community Mental Health Program.

### **411-328-0780 Rights: Psychotropic Medications and Medications for Behavior**

*(Renumbered from OAR 309-041-0780 12/9/2009)*

(1) Requirements. Psychotropic medications and medications for behavior shall be:

(a) Prescribed by physician through a written order; and

(b) Included on the individual's ISP.

(2) Balancing test. The use of psychotropic medications and medications for behavior shall be based on a physician's decision that the harmful effects without the medication clearly outweigh the potentially harmful effects of the medication. Service providers must present the physician with a full and clear written description of the behavior and symptoms to be addressed, as well as any side effects observed, to enable the physician to make this decision.

(3) Monitoring and review. Psychotropic medications and medications for behavior shall be:

(a) Monitored by the prescribing physician, ISP team and program for desired responses and adverse consequences; and

(b) Reviewed to determine the continued need and/or lowest effective dosage in a carefully monitored program.

**411-328-0790 Entry, Exit, and Transfer**

*(Temporary Effective 7/1/2013 - 12/28/2013)*

(1) NON-DISCRIMINATION. An individual considered for Department-funded services may not be discriminated against because of race, color, creed, age, disability, national origin, gender, religion, duration of Oregon residence, method of payment, or other forms of discrimination under applicable state or Federal law.

(2) QUALIFICATIONS FOR DEPARTMENT-FUNDED SERVICES PRIOR TO JULY 1, 2013. An individual considered for Department-funded services prior to July 1, 2013 must:

(a) Be referred by the Community Developmental Disability Program;  
and

(b) Be determined to have an intellectual or developmental disability by the Department or the Department's designee.

(3) QUALIFICATIONS FOR DEPARTMENT-FUNDED SERVICES ON OR AFTER JULY 1, 2013. An individual who enters supported living services on or after July 1, 2013, is subject to eligibility as described in this section.

(a) To be eligible for home and community-based waived services or Community First Choice State Plan services, an individual must:

(A) Be an Oregon resident; and

(B) Be eligible for OSIP-M; and

(C) Be determined eligible for developmental disability services by the CDDP of the individual's county of residence as described in OAR 411-320-0080; and

(D) After completion of an assessment, meet the level of care as defined in OAR 411-328-0560.

(b) To be eligible for supported living services, an individual must:

(A) Be an Oregon resident;

(B) Be determined eligible for developmental disability services by the CDDP of the individual's county of residence as described in OAR 411-320-0080;

(C) Be an individual who is not receiving other Department-funded in-home or community living support;

(D) Have access to the financial resources to pay for food, utilities, and housing expenses; and

(E) Be eligible for home and community-based waived services or Community First Choice State Plan services as described in subsection (a) of this section; OR

(F) Be determined to meet crisis eligibility as defined in OAR 411-320-0160.

(4) DOCUMENTATION UPON ENTRY. A service provider must acquire the following information prior to or upon an individual's entry ISP team meeting:

(a) A copy of the individual's eligibility determination document;

(b) A statement indicating the individual's safety skills including the individual's ability to evacuate from a building when warned by a signal device and adjust water temperature for bathing and washing;

(c) A brief written history of the individual's medical conditions or behavioral challenges, if any, including supervision and support needs;

(d) Information related to the individual's lifestyle, activities, and other choices and preferences;

(e) Documentation of the individual's financial resources;

(f) Documentation from a physician of the individual's current physical condition, including a written record of any current or recommended medications, treatments, diets, and aids to physical functioning;

(g) Documentation of any guardianship or conservatorship, health care representation, or any other legal restriction on the rights of the individual, if applicable; and

(h) A copy of the individual's most recent ISP, if applicable.

(5) ENTRY MEETING. An entry ISP team meeting must be conducted prior to the onset of services to an individual. The findings of the entry meeting must be recorded in the individual's file and include at a minimum:

(a) The name of the individual proposed for services;

(b) The date of the meeting;

(c) The date determined to be the individual's date of entry;

(d) Documentation of the participants at the meeting;

(e) Documentation of the pre-entry information required by section (4)(a-h) of this rule;

(f) Documentation of the decision to serve or not serve the individual requesting services, including the reason for the determination to not serve the individual; and

(g) If the decision was made to serve the individual, a written transition plan for the services to be provided.

(6) VOLUNTARY TRANSFERS AND EXITS.

(a) If an individual or the individual's legal representative gives notice of the individual's intent to exit, or the individual abruptly exits services, the service provider must promptly notify the individual's CDDP services coordinator.

(b) A service provider must notify an individual's ISP team prior to an individual's voluntary transfer or exit from services.

(c) Notification and authorization of an individual's voluntary transfer or exit must be documented in the individual's record.

## (7) INVOLUNTARY TRANSFERS AND EXITS.

(a) A service provider may only transfer or exit an individual involuntarily for one or more of the following reasons:

(A) To protect the health, safety, and welfare of the individual or others;

(B) The individual's service needs exceed the ability of the service provider;

(C) The individual fails to pay for services; or

(D) The service provider's developmental disability certification or endorsement as described in OAR chapter 411, division 323 is suspended, revoked, not renewed, or voluntarily surrendered.

(b) NOTICE OF INVOLUNTARY TRANSFER OR EXIT. A service provider may not transfer or exit an individual involuntarily without 30 days advance written notice to the individual and the individual's legal representative and CDDP services coordinator except in the case of a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others as described in subsection (c) of this section.

(A) The written notice must be provided on a form approved by the Department (form SDS 0719) and include:

(i) The reason for the transfer or exit; and

(ii) The individual's right to a hearing as described in subsection (d) of this section.

(B) A notice is not required when an individual or the individual's legal representative requests a transfer or exit.

(c) A service provider may give less than 30 days advanced written notice only in a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others. The notice must be provided to the individual and the individual's legal representative and CDDP services coordinator immediately upon determination of the need for a transfer or exit.

(d) HEARING RIGHTS. An individual must be given the opportunity for a contested case hearing under ORS 183 to dispute an involuntary transfer or exit. If an individual or the individual's representative requests a hearing, the individual must receive the same services until the hearing is resolved. When an individual has been given less than 30 days advanced written notice of an exit or transfer as described in subsection (c) of this section and the individual or the individual's representative has requested a hearing, the service provider must reserve service availability for the individual until receipt of the Final Order.

#### (8) EXIT MEETING.

(a) An individual's ISP team must meet before any decision to exit is made. Findings of such a meeting must be recorded in the individual's file and include at a minimum:

(A) The name of the individual considered for exit;

(B) The date of the meeting;

(C) Documentation of the participants included in the meeting;

(D) Documentation of the circumstances leading to the proposed exit;

(E) Documentation of the discussion of the strategies to prevent the individual's exit from services (unless the individual or the individual's legal representative is requesting the exit);

(F) Documentation of the decision regarding the individual's exit including verification of the voluntary decision to transfer or exit or a copy of the Notice of Involuntary Transfer or Exit; and

(G) Documentation of the proposed plan for services for the individual after the exit.

(b) WAIVER OF EXIT MEETING. Requirements for an exit meeting may be waived if an individual is immediately removed from services under the following conditions:

(A) The individual or the individual's legal representative requests an immediate removal; or

(B) The individual is removed by legal authority acting pursuant to civil or criminal proceedings.

(9) TRANSFER MEETING. A meeting of the ISP Team to discuss any proposed transfer of an individual must precede the decision to transfer. Findings of such a meeting must be recorded in the individual's file and include at a minimum:

(a) The name of the individual considered for transfer;

(b) The date of the meeting or telephone call;

(c) Documentation of the participants included in the meeting or telephone call;

(d) Documentation of the circumstances leading to the proposed transfer;

(e) Documentation of the alternatives considered instead of transfer;

(f) Documentation of the reasons any preferences of the individual or the individual's legal representative or family members cannot be honored;

(g) Documentation of a majority agreement of the participants regarding the decision; and

(h) The individual's written plan for services after transfer.

**411-328-0800 Rights: Entry, Exit and Transfer: Appeal Process**  
*(Temporary Effective 7/1/2013 - 12/28/2013)*

(1) In cases where the individual and the individual's parent, guardian, advocate, or the provider objects to, or the ISP team cannot reach majority agreement regarding an admission refusal, an appeal may be filed by any member of the ISP team. In the case of a refusal to serve, the slot must be held vacant but the payment for the slot must continue.

(2) All appeals must be made in writing to the CDDP Director or the CDDP Director's designee for decision using the county's appeal process. The CDDP Director or the CDDP Director's designee must make a decision within 30 working days of receipt of the appeal and notify the appellant of the decision in writing.

(3) The decision of the CDDP may be appealed by the individual, the individual's parent, guardian, advocate, or the provider by notifying the Office of Developmental Disability Services in writing within ten working days of receipt of the county's decision.

(a) A committee is appointed by the Director or the Director's designee in the Office of Developmental Disability Services every two years and is composed of a Department representative, a residential service representative, and a services coordinator;

(b) In case of a conflict of interest, as determined by the Director or the Director's designee, alternative representatives may be temporarily appointed by the Director or the Director's designee to the committee;

(c) The committee reviews the appealed decision and makes a written recommendation to the Director or the Director's designee within 45 working days of receipt of the notice of appeal;

(d) The Director or the Director's designee makes a decision on the appeal within ten working days after receipt of the recommendation from the committee; and

(e) If the decision is for admission or continued placement and the provider refuses admission or continued placement, the funding for the slot may be withdrawn by the contractor.
