

**DEPARTMENT OF HUMAN SERVICES
SENIORS AND PEOPLE WITH DISABILITIES DIVISION
OREGON ADMINISTRATIVE RULES**

**CHAPTER 411
DIVISION 335**

**PROCTOR CARE RESIDENTIAL SERVICES FOR INDIVIDUALS
WITH DEVELOPMENTAL DISABILITIES**

EFFECTIVE JULY 1, 2011

411-335-0010 Statement of Purpose

(Temporary Effective 7/1/2011 – 12/28/2011)

The rules in OAR chapter 411, division 335 prescribe administrative, policy, procedure, documentation, and personnel requirements for proctor agencies providing intensive, person focused services to individuals with developmental disabilities experiencing significant emotional, medical, or behavioral difficulties. Proctor providers are specially trained and supported by the proctor agency. Proctor providers assist the individual in a home environment to make positive changes in the individual's adaptive skills that shall enable the individual to move to a less restrictive setting. These rules, in addition to the rules in OAR chapter 411, division 323, also prescribe standards and procedures by which the Department endorses service providers to safely operate and oversee proctor care homes and provide training and support to children with developmental disabilities.

411-335-0020 Definitions

(Temporary Effective 7/1/2011 – 12/28/2011)

(1) "Abuse" means abuse of a child as defined in ORS 419B.005, and for the purposes of these rules, abuse of a child also means abuse as defined in OAR 407-045-0260.

(2) "Abuse Investigation and Protective Services" means reporting and investigation activities as required by OAR 407-045-0300 and any

subsequent services or supports necessary to prevent further abuse as required in OAR 407-045-0310.

(3) "Administration of Medication" means the act of placing a medication in or on an individual's body by a person who is responsible for the individual's care.

(4) "Administrator" means the administrator of the Department, or that person's designee.

(5) "Advocate" means a person other than paid staff who has been selected by the individual or by the individual's guardian to help the individual understand and make choices in matters relating to identification of needs and choices of services, especially when rights are at risk or have been violated.

(6) "Agency Staff" means paid employees responsible for providing services directly or indirectly to children in proctor care, and whose wages or fees are paid in part or in full with funds sub-contracted with the community developmental disability program or contracted directly through the Department. For the purpose of these rules, agency staff includes skill trainers.

(7) "Aid to Physical Functioning" means any special equipment prescribed for an individual by a physician, therapist, or dietician that maintains or enhances the individual's physical functioning.

(8) "Alternate Caregiver" means any person 18 and older responsible for the care or supervision of a child in foster care.

(9) "Baseline Level of Behavior" means the frequency, duration, or intensity of a behavior, objectively measured, described, and documented prior to the implementation of an initial or revised Behavior Support Plan. This baseline measure serves as the reference point by which the ongoing efficacy of the Individual Support Plan (ISP) is to be assessed. A baseline level of behavior is reviewed and reestablished at minimum yearly, at the time of the ISP team meeting.

(10) "Behavior Data Collection System" means the methodology specified within the individual's Behavior Support Plan that directs the process for

recording observations, interventions, and other support provision information critical to the analysis of the efficacy of the Behavior Support Plan.

(11) "Behavior Data Summary" means a document composed by the proctor provider to summarize episodes of physical intervention. The behavior data summary serves as a substitution for the requirement of individual incident reports for each episode of physical intervention.

(12) "Behavior Support Plan (BSP)" means a written strategy based on person-centered planning and a functional assessment that outlines specific instructions for proctor providers to follow, to cause an individual's challenging behaviors to become unnecessary, and to change the provider's own behavior, adjust environment, and teach new skills.

(13) "Board of Directors" means a group of persons formed to set policy and give directions to an agency designed to provide residential services to individuals with developmental disabilities. A board of directors includes local advisory boards used by multi-state organizations.

(14) "Care" means supportive services, including but not limited to supervision, protection, and assistance in bathing, dressing, grooming, eating, management of money, transportation, or recreation. Care also includes being aware of the individual's general whereabouts at all times and monitoring the activities of the individual to ensure the individual's health, safety, and welfare. The term "care" is synonymous with "services".

(15) "Certificate" means a document issued by the Department to an agency that certifies the agency is eligible under the rules in OAR chapter 411, division 323 to receive state funds for the provision of endorsed proctor care residential services.

(16) "Chemical Restraint" means the use of a psychotropic drug or other drugs for punishment or to modify behavior in place of a meaningful behavior or treatment plan.

(17) "Child" means an individual under the age of 18 that has a provisional determination of developmental disability.

(18) "Choice" means the individual's and guardian's expression of preference, opportunity for, and active role in decision-making related to the selection of assessments, services, service providers, goals and activities, and verification of satisfaction with these services. Choice is communicated verbally, through sign language, or by other communication methods.

(19) "Community Developmental Disability Program (CDDP)" means an entity that is responsible for the planning and delivery of services for individuals with developmental disabilities in a specific geographic service area of the state operated by or under a contract with the Department or a local mental health authority.

(20) "Competency Based Training Plan" means a written description of the proctor agency's process for providing training to newly hired agency staff and proctor providers. At a minimum, the Competency Based Training Plan:

(a) Addresses health, safety, rights, values and personal regard, and the proctor agency's mission; and

(b) Describes competencies, training methods, timelines, how competencies of staff are determined and documented including steps for remediation, and when a competency may be waived by the proctor agency to accommodate staff or proctor provider's specific circumstances.

(21) "Complaint Investigation" means an investigation of any complaint that has been made to a proper authority that is not covered by an abuse investigation.

(22) "Contracting Entity" means the community developmental disability program or proctor agency contracting with the Department.

(23) "Crisis" means:

(a) A situation as determined by a qualified services coordinator that may result in civil court commitment under ORS 427.215 to 427.306 and for which no appropriate alternative resources are available; or

(b) Risk factors described in OAR 411-320-0160(2) are present for which no appropriate alternative resources are available.

(24) "Department" means the Department of Human Services (DHS).

(25) "Developmental Disability" as defined in OAR 411-320-0020.

(26) "Direct Nursing Service" means the provision of child-specific advice, plans, or interventions, based on nursing process as outlined by the Oregon State Board of Nursing, by a nurse at the home or facility. Direct nursing service differs from administrative nursing services. Administrative nursing services include non-individual-specific services, such as quality assurance reviews, authoring health related agency policies and procedures, or providing general training for staff.

(27) "Division" means the Department of Human Services, Seniors and People with Disabilities Division (SPD).

(28) "Educational Surrogate" means a person who acts in place of a parent in safeguarding a child's rights in the special education decision-making process:

(a) When the parent cannot be identified or located after reasonable efforts;

(b) When there is reasonable cause to believe that the child has a disability and is a ward of the state; or

(c) At the request of a parent or adult student.

(29) "Endorsement" means authorization to provide proctor care residential services issued by the Department to a certified proctor agency that has met the qualification criteria outlined in these rules and the rules in OAR chapter 411, division 323.

(30) "Entry" means admission to a Department-funded developmental disability service. For purposes of these rules, "entry" means admission to a proctor provider certified by the Department as described in OAR chapter 411, division 346.

(31) "Executive Director" means the person designated by a board of directors or corporate owner that is responsible for the administration of proctor care residential services.

(32) "Exit" means either termination from a Department-funded developmental disability proctor agency or transfer from one Department-funded proctor agency to another.

(33) "Foster Care" for the purpose of these rules means 24-hour substitute care for children in a foster home that is contracted with the proctor agency and certified by the Department as described in OAR chapter 411, division 346.

(34) "Founded Reports" means the Department's Children, Adults, and Families Division or Law Enforcement Authority (LEA) determination, based on the evidence, that there is reasonable cause to believe that conduct in violation of the child abuse statutes or rules has occurred and such conduct is attributable to the person alleged to have engaged in the conduct.

(35) "Guardian" means a parent for individuals under 18 years of age or a person or agency appointed and authorized by the courts to make decisions about services for an individual.

(36) "Health Care Provider" means a person or health care facility licensed, certified, or otherwise authorized or permitted by Oregon law to administer health care in the ordinary course of business or practice of a profession.

(37) "Incident Report" means a written report of any injury, accident, acts of physical aggression, or unusual incident involving an individual, written by the proctor provider or agency staff involved in or witnessing the incident.

(38) "Independence" means the extent to which individuals with developmental disabilities exert control and choice over their own lives.

(39) "Individual" means an adult or a child with developmental disabilities for whom services are planned and provided.

(40) "Individualized Education Plan (IEP)" means a written plan of instructional goals and objectives in conference with the teacher, parent or guardian, student, and a representative of the school district.

(41) "Individual Support Plan (ISP)" means the written details of the supports, activities, and resources required for an individual to achieve personal goals. The ISP is developed at minimum annually to reflect decisions and agreements made during a person-centered process of planning and information gathering. The ISP is the individual's Plan of Care for Medicaid purposes.

(42) "Individual Support Plan (ISP) Team" means a team composed of the individual served, the proctor provider, agency staff who provide service to the individual (if appropriate for in-home supports), the guardian (if any), the services coordinator, and family or other persons requested to develop the ISP.

(43) "Integration" means the use by individuals with developmental disabilities of the same community resources used by and available to other persons in the community, including participation in community activities and having contact with persons in their community.

(44) "Legal Representative" means the parent, if the individual is under age 18, unless the court appoints another person or agency to act as guardian.

(45) "Majority Agreement" means for purposes of entry, exit, transfer, and annual Individual Support Plan (ISP) team meetings, that no one member of the ISP team has the authority to make decisions for the team unless so authorized by the team process. Agency staff, proctor providers, families, the services coordinator, or advocacy agencies are considered as one member of the ISP team for the purpose of reaching majority agreement.

(46) "Mandatory Reporter" means any public or private official who comes in contact with and has reasonable cause to believe a child has suffered abuse, or comes in contact with any person whom the official has reasonable cause to believe abused a child, regardless of whether or not the knowledge of the abuse was gained in the reporter's official capacity. Nothing contained in ORS 40.225 to 40.295 shall affect the duty to report imposed by this section, except that a psychiatrist, psychologist, clergyman, attorney, or guardian ad litem appointed under ORS 419B.231 shall not be required to report such information communicated by a person if the communication is privileged under ORS 40.225 to 40.295.

(47) "Mechanical Restraint" means any mechanical device, material, object, or equipment that is attached or adjacent to an individual's body that the individual cannot easily remove or easily negotiate around, and that restricts freedom of movement or access to the individual's body.

(48) "Medicaid Agency Identification Number" means the numeric identifier assigned to a service provider as described in OAR chapter 411, division 370 following the service provider's enrollment to manage service delivery sites or areas within Oregon under endorsement or license from the Department.

(49) "Medicaid Performing Provider Number" means the numeric identifier assigned to an entity or person by the Department, following enrollment to deliver Medicaid funded services as described in OAR chapter 411, division 370. The Medicaid Performing Provider Number is used by the rendering service provider for identification and billing purposes associated with service authorizations and payments.

(50) "Medication" means any drug, chemical, compound, suspension, or preparation in suitable form for use as a curative or remedial substance taken either internally or externally by any person.

(51) "Modified Diet" means the texture or consistency of food or drink is altered or limited. Examples include but are not limited to no nuts or raw vegetables, thickened fluids, mechanical soft, finely chopped, pureed, or bread only soaked in milk.

(52) "Nurse" means a person who holds a current license from the Oregon Board of Nursing as a registered nurse or licensed practical nurse pursuant to ORS chapter 678.

(53) "Nursing Care Plan" means a plan of care developed by a registered nurse that describes the medical, nursing, psychosocial, and other needs of the individual and how those needs shall be met. The Nursing Care Plan includes which tasks shall be taught or delegated to the provider and staff.

(54) "Oregon Core Competencies" means:

(a) A list of skills and knowledge for newly hired staff and proctor providers in the areas of health, safety, rights, values and personal regard, and the proctor agency's mission; and

(b) The associated timelines in which newly hired staff and proctor providers must demonstrate competencies.

(55) "Oregon Intervention System (OIS)" means a system of providing training to people who work with designated individuals to intervene physically or non-physically to keep individuals from harming self or others. OIS is based on a proactive approach that includes methods of effective evasion, deflection, and escape from holding.

(56) "Physical Intervention" means the use of any physical action or any response to maintain the health and safety of an individual or others during a potentially dangerous situation or event.

(57) "Physical Restraint" means any manual physical holding of or contact with an individual that restricts the individual's freedom of movement.

(58) "Prescription Medication" means any medication that requires a physician prescription before it may be obtained from a pharmacist.

(59) "Proctor Agency" means a public or private community agency or organization that provides recognized developmental disability services and is certified and endorsed by the Department to provide these services under these rules and the rules in OAR chapter 411, division 323. For the purpose of these rules, "agency" or "program" is synonymous with "proctor agency".

(60) "Proctor Care Services" means a comprehensive residential program endorsed by the Department to provide intensive individually focused contracted foster care, training, and support to individuals with developmental disabilities experiencing emotional, medical, or behavioral difficulties.

(61) "Proctor Provider" means the certified care provider who resides at a child foster home for individuals with developmental disabilities certified by the Department as described in OAR chapter 411, division 346.

(62) "Productivity" as defined in ORS 427.005 means:

(a) Engagement in income-producing work by an individual with developmental disabilities that is measured through improvements in income level, employment status, or job advancement; or

(b) Engagement by an individual with developmental disabilities in work contributing to a household or community.

(63) "Protection" and "Protective Services" means necessary actions taken as soon as possible to prevent subsequent abuse or exploitation of the individual, to prevent self-destructive acts, and to safeguard an individual's person, property, and funds.

(64) "Psychotropic Medication" means medication the prescribed intent of which is to affect or alter thought processes, mood, or behavior including but not limited to anti-psychotic, antidepressant, anxiolytic (anti-anxiety), and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed.

(65) "Respite" means intermittent services provided on a periodic basis, but not more than 14 consecutive days, for the relief of, or due to the temporary absence of, persons normally providing the supports to individuals unable to care for themselves.

(66) "Self-Administration of Medication" means the individual manages and takes his or her own medication, identifies his or her own medication and the times and methods of administration, places the medication internally in or externally on his or her own body without staff assistance upon the written order of a physician, and safely maintains the medication without supervision.

(67) "Services Coordinator" means an employee of the community developmental disability program or other agency that contracts with the county or Department, who is selected to plan, produce, coordinate, and monitor Individual Support Plan services and to act as a proponent for individuals with developmental disabilities.

(68) "Significant Other" means a person selected by the individual and guardian to be the individual's friend.

(69) "Specialized Diet" means that the amount, type of ingredients, or selection of food or drink items is limited, restricted, or otherwise regulated under a physician's order. Examples include but are not limited to low calorie, high fiber, diabetic, low salt, lactose free, or low fat diets. A specialized diet does not include a diet where extra or additional food is offered without physician's orders but may not be eaten, for example, offer prunes each morning at breakfast or include fresh fruit with each meal.

(70) "Substantiated" means an abuse investigation has been completed by the Department or the Department's designee and the preponderance of the evidence establishes the abuse occurred.

(71) "Support" means assistance that individuals require, solely because of the effects of developmental disability, to maintain or increase independence, achieve community presence and participation, and improve productivity. Support is subject to change with time and circumstances.

(72) "These Rules" mean the rules in OAR chapter 411, division 335.

(73) "Transfer" means movement of an individual from one proctor provider to another within the same county administered by the same proctor agency.

(74) "Transition Plan" means a written plan for the period of time between an individual's entry into a particular service and when the individual's Individual Support Plan (ISP) is developed and approved by the ISP team. The Transition Plan includes a summary of the services necessary to facilitate adjustment to the services offered, the supports necessary to assure health and safety, and the assessments and consultations necessary for ISP development.

(75) "Unusual Incident" means incidents involving serious illness or accidents, death of an individual, injury or illness of an individual requiring inpatient or emergency hospitalization, suicide attempts, a fire requiring the services of a fire department, or any incident requiring abuse investigation.

(76) "Variance" means a temporary exception from a regulation or provision of these rules or the rules in OAR chapter 411, division 323 that may be

granted by the Department upon written application by the proctor provider or proctor agency.

(77) "Volunteer" means any person assisting a proctor provider or the proctor agency without pay to support the services provided to individuals.

411-335-0030 Management and Personnel Practices
(Temporary Effective 7/1/2011 – 12/28/2011)

(1) PROCTOR AGENCY.

(a) CERTIFICATION, ENDORSEMENT, AND ENROLLMENT. To provide proctor care residential services, a proctor agency must have:

(A) A certificate and an endorsement to provide proctor care residential services as set forth in OAR chapter 411, division 323;

(B) A Medicaid Agency Identification Number assigned by the Department as described in OAR chapter 411, division 370; and

(C) For each specific geographic service area where proctor care residential services shall be delivered a Medicaid Performing Provider Number assigned by the Department as described in OAR chapter 411, division 370.

(b) INSPECTIONS AND INVESTIGATIONS. The proctor agency must allow inspections and investigations as described in OAR 411-323-0040.

(c) AGENCY MANAGEMENT AND PERSONNEL PRACTICES. The proctor agency must comply with the agency management and personnel practices as described in OAR 411-323-0050.

(d) COMPETENCY BASED TRAINING PLAN. The proctor agency must have and implement a Competency Based Training Plan that

meets, at a minimum, the competencies and timelines set forth in the Department's Oregon Core Competencies.

(e) **PERSONNEL FILES AND QUALIFICATION RECORDS.** The proctor agency must maintain the following for each staff member and proctor provider in a file available to the Department or the Department's designee for inspection:

(A) Written documentation kept current that the staff member and proctor provider has demonstrated competency in areas identified by the proctor agency's Competency Based Training Plan as required by section (5) of this rule, and that is appropriate to their job;

(B) Written documentation of 12 hours of job-related in-service training annually; and

(C) Documentation that the staff member and proctor provider has been certified in CPR and First Aid by a recognized training agency within three months of employment and that certification is kept current.

(f) **POLICIES AND PROCEDURES.** The proctor agency must implement policies and procedures to:

(A) Assure support, health, safety, and crisis response for individuals served, including policies and procedures to assure training of agency staff and proctor providers.

(B) Assure that provider payment and agency support is commensurate to the support needs of individuals enrolled in proctor care services. Policies and procedures must include frequency of review.

(C) Assure support, health, safety, and crisis response for individuals placed in all types of respite care, including policies and procedures to assure training of respite care providers. The types of respite care include but are not limited to:

(i) Respite care in the proctor provider's home during day hours only;

(ii) Respite care in the home of someone other than the proctor provider for day time only;

(iii) Overnight care in the proctor provider's home; and

(iv) Overnight care at someone other than the proctor provider's home.

(D) Review and document that each child enrolled in proctor care services continues to require such services. Policies and procedures must include frequency of review and the criteria as listed below.

(i) The child's need for a formal Behavior Support Plan based on the Risk Tracking Record and functional assessment of the behavior.

(ii) The child has been stable and generally free of serious behavioral or delinquency incidents for the past 12 months.

(iii) The child has been free of psychiatric hospitalization (hospital psychiatric unit, Oregon State Hospital, and sub acute) for the last 12 months, except for assessment and evaluation.

(iv) The child poses no significant risk to self or community.

(v) The proctor provider has not needed or utilized the proctor agency's crisis services in response to the child's medical, mental health, or behavioral needs more than one time in the past 12 months.

(vi) The proctor provider is successfully supporting the child over time, with a minimum of proctor agency case

management contact other than periodic monitoring and check in.

(vii) The proctor provider does not require professional support for the child, and there has been or may be a reduction in ongoing weekly professional support for the child including consultation, skill training, and staffing.

(viii) The proctor agency is not actively working with the child's family to return the child to the family home.

(g) RESPONSIBILITIES. The proctor agency must:

(A) Assure that preliminary certification for the proctor provider is completed per the relevant foster care statutes and OAR chapter 411, divisions 346. Such work must be submitted to the Department for final review and approval.

(B) Complete an initial home study for all proctor provider applicants that is updated at the certification renewal for all certified proctor providers.

(C) Provide and document training and support to agency staff, proctor providers, subcontractors, volunteers, and respite providers:

(i) To maintain the health and safety of the individuals served.

(ii) To implement the ISP process, including completion of a Risk Tracking Record, development of protocols and BSP for each individual served, and the development of the ISP.

(D) Have a plan for emergency back-up for home provider including but not limited to use of crisis respite, other proctor homes, additional staffing, and behavior support consultations.

(E) Coordinate and document entries, exits, and transfers.

(F) Report to the Department, and the CDDP, any placement changes due to a Crisis Plan made outside of normal working hours. Notification must be made by 9:00 a.m. of the first working day after the change has happened.

(G) Assure that each proctor provider has a current Emergency Disaster Plan on file in the proctor provider home, in the proctor agency office, and provided to the CDDP and any case manager of an individual who is not an employee of the local CDDP.

(H) Assure emergency backup in the event the proctor provider is unavailable.

(2) QUALIFICATIONS FOR PROCTOR AGENCY STAFF AND PROCTOR PROVIDERS INCLUDING SUBCONTRACTORS AND VOLUNTEERS.

Any agency staff including skill trainers, respite providers, substitute caregivers, subcontractors, and volunteers must meet the following criteria:

(a) Be at least 18 years of age and have a valid social security card.

(b) Have approval to work based on Department policies and a background check completed by the Department in accordance with OAR 407-007-0200 to 407-007-0370 and OAR 411-323-0050.

(c) Disclose any founded reports of child abuse or substantiated abuse.

(d) Be literate and capable of understanding written and oral orders, be able to communicate with individual's physicians, services coordinators, and appropriate others, and be able to respond to emergency situations at all times.

(e) Have met the basic qualification in the agency's Competency Based Training Plan.

(3) GENERAL REQUIREMENTS FOR SAFETY AND TRAINING. All proctor providers, substitute caregivers, respite providers, child care providers, agency staff, and volunteers having contact with an individual, except for those providing services in a crisis situation, must:

(a) Receive training specific to the individual. This training must at a minimum consist of basic information on environment, health, safety, ADLs, positive behavioral supports, and behavioral needs for the individual, including the ISP, BSP, required protocols, and any emergency procedures. Training must include required documentation for health, safety, and behavioral needs of the individual.

(b) Receive OIS training. OIS certification is required if physical intervention is likely to occur as part of the BSP. Knowledge of OIS principles, not certification is required if it is unlikely that physical intervention shall be required.

(c) Receive mandatory reporter training.

(d) Receive confidentiality training.

(e) Be at least 18 years of age and have a valid social security card.

(f) Be cleared by the Department's background check requirements in OAR 407-007-0200 to 407-007-0370 and OAR 411-323-0050.

(g) Have a valid Oregon driver's license and proof of insurance.

(h) Receive training in applicable agency policies and procedures.

(4) PROCTOR PROVIDERS.

(a) Proctor providers must:

(A) Meet all the standards in these rules and the rules in OAR chapter 411, division 346;

(B) Must have knowledge of these rules and the rules in OAR chapter 411, division 346; and

(C) Must receive and maintain current First Aid and CPR training.

(b) Any home managed and contracted to serve children with developmental disabilities by a proctor agency must be certified by the Department as a foster home for children with developmental disabilities in accordance with OAR chapter 411, division 346.

(5) SKILLS TRAINERS, ADVISORS, OR OTHER AGENCY STAFF. Skills trainers, advisors, or other agency staff must:

(a) Receive and maintain current First Aid and CPR training;

(b) Must have knowledge of these rules and the rules in OAR chapter 411, division 346;

(c) Anyone age 18 or older, living in an agency staff members uncertified home must have an approved Department background check per OAR 407-007-0200 to 407-007-0370 and as described in OAR 411-323-0050, prior to any visit of an individual to the staff member's home.

(d) Assure health and safety guidelines for alternative caregivers including but not limited to the following:

(A) The home and premises must be free from objects, materials, pets, and conditions that constitute a danger to the occupants and the home and premises must be clean and in good repair.

(B) Any sleeping room used for an individual in respite must be finished, attached to the house, and not a common living area, closet, storage area, or garage. If a child is staying overnight, the sleeping arrangements must be safe and appropriate to the individual's age, behavior, and support needs.

(C) The home must have tubs or showers, toilets, and sinks that are operable and in good repair with hot and cold water.

(D) The alternative caregivers must have access to a working telephone in the home, and must have a list of emergency telephone numbers and know where the numbers are located.

(E) All medications, poisonous chemicals, and cleaning materials must be stored in a way that prevents the individuals from accessing them, unless otherwise addressed in an individual's ISP.

(F) Firearms must be stored unloaded. Firearms and ammunition must be stored in separate locked locations. Loaded firearms must never be carried in any vehicle while it is being used to transport an individual.

(G) First aid supplies must be available in the home and in the vehicles that shall be used to transport an individual.

(6) RESPITE PROVIDERS.

(a) If respite is being provided in the proctor provider's home day or night, the respite provider must be trained on the:

(A) Basic health needs of the individuals in service; and

(B) Basic safety in the home including but not limited to first aid supplies, the Emergency Plan, and the Fire Evacuation Plan.

(b) If respite is being provided in a home other than the proctor provider's home day or night, the respite provider must assure health and safety guidelines for alternative caregivers, including but not limited to:

(A) The home and premises must be free from objects, materials, pets, and conditions that constitute a danger to the occupants and the home and premises must be clean and in good repair.

(B) Any sleeping room used for an individual in respite must be finished, have a window that may be opened, be attached to the house, and not a common living area, storage area, closet, or garage. If the individual is staying overnight, the sleeping arrangements must be safe and appropriate to the individual's age, behavior, and support needs.

(C) The home must have tubs or showers, toilets, and sinks that are operable and in good repair with hot and cold water.

(D) The alternative caregivers must have access to a working telephone in the home and must have a list of emergency telephone numbers and know where the numbers are located.

(E) All medications, poisonous chemicals, and cleaning materials must be stored in a way that prevents an individual from accessing them.

(F) Firearms must be stored unloaded. Firearms and ammunition must be stored in separate locked locations. Loaded firearms must never be carried in any vehicle while it is being used to transport an individual.

(G) First aid supplies must be available in the home and in the vehicles that shall be used to transport individuals.

(7) DAY CARE AND CAMP. When a child is cared for by a child care provider, camp, or child care center, the proctor agency must assure that the camp, provider home, or center is certified, licensed, or registered as required by the Child Care Division (ORS 657A.280). The proctor agency must also assure that the ISP team is in agreement with the plan for the child to attend the camp, child care center, or child care provider home.

(8) SOCIAL ACTIVITIES FOR LESS THAN 24 HOURS, INCLUDING OVERNIGHT ARRANGEMENTS. The proctor agency must assure:

(a) The person providing care is capable of assuming all care responsibilities and shall be present at all times.

(b) The ISP team is in agreement with the planned social activity.

(c) The proctor provider maintains back-up responsibilities for the individual in service.

(9) GENERAL CRISIS REQUIREMENTS FOR INDIVIDUALS ALREADY IN PROCTOR AGENCY HOMES.

(a) Crisis service providers must:

(A) Be at least 18 years of age.

(B) Have initial and annual approval to work based on current Department policies and procedures for review of background checks per OAR 407-007-0200 to 407-007-0370 and as described in OAR 411-323-0050, prior to supervising any individual. Providers must also have a child welfare check completed on an annual basis.

(C) Upon placement of the individual, have knowledge of the individual's needs. This knowledge must consist of basic information on health, safety, ADLs, and behavioral needs for the individual, including the ISP, BSP, and required protocols. Be trained on required documentation for health, safety, and behavioral needs of the individual.

(b) The proctor agency must:

(A) Make follow-up contact with the crisis provider within 24 hours of the placement to assess and assure the individual's and provider's support needs are met.

(B) Initiate transition planning with the ISP team and document the plan within 72 hours.

(10) MANDATORY ABUSE REPORTING. Proctor agency staff and providers are mandatory reporters. Upon reasonable cause to believe that abuse has occurred, all members of the household and any proctor providers, substitute caregivers, agency staff, independent contractors, or volunteers must report pertinent information to the Department, the CDDP, or law enforcement. For reporting purposes the following shall apply:

(a) Notification of mandatory reporting status must be made at least annually to all proctor providers, agency employees, substitute caregivers, subcontractors, and volunteers, on forms provided by the Department.

(b) All agency employees and proctor providers must be provided with a Department produced card regarding abuse reporting status and abuse reporting requirements.

(11) CONFIDENTIALITY OF RECORDS.

(a) The proctor agency must ensure all individuals' records are confidential as described in OAR 411-323-0060.

(b) The proctor agency, proctor provider, and the proctor provider's family must treat personal information about an individual or an individual's family in a confidential manner. Confidential information is to be used and disclosed in accordance with OAR 407-014-0020 only on a need to know basis to law enforcement, services coordinators, the Department including child protective services staff and child welfare caseworkers, the CDDP, Office of Investigations and Training investigators, and medical professionals who are treating or providing services to the individual. The information shared must be limited to the health, safety, and service needs of the individual.

(c) The proctor agency, proctor provider, and the proctor provider's family must comply with the provisions of ORS 192.518 to 192.523 and OAR 407-014-0020 and therefore may use or disclose an individual's protected health information as defined in OAR 407-014-0000 only:

(A) To law enforcement, the Department, or the CDDP;

(B) As authorized by the individual's guardian including but not limited to a guardian appointed under ORS 125.305, 419C.481, or 419C.555;

(C) For purposes of obtaining healthcare and treatment of the individual;

(D) For purposes of obtaining payment for health care treatment; or

(E) As permitted or required by state or federal law or by order of a court.

(d) The proctor agency and the proctor provider must keep all written records for each individual in a manner that assures their confidentiality.

(12) DOCUMENTATION REQUIREMENTS. All entries required by these rules, unless stated otherwise must:

- (a) Be prepared at the time, or immediately following the event being recorded;
- (b) Be accurate and contain no willful falsification;
- (c) Be legible, dated, and signed by the person making the entry;
- (d) Be maintained for no less than five years; and
- (e) Be made readily available for the purposes of inspection.

411-335-0120 Variances

(Effective 1/1/2007)

(1) Criteria for a variance. The Department may grant a variance to these rules based upon a demonstration by the agency that the requested variance provides equal or greater program effectiveness and does not adversely impact the welfare, health, safety or rights of individuals.

(2) Variance application. The agency requesting a variance must submit, in writing, a variance request on Department forms either to the SPD Residential Services Coordinator or the CDDP designee whichever entity holds the contract for proctor services. The representative for the entity holding the contract will review the request, make a recommendation for approval or denial and submit to the Department. Any variance that applies to a proctor provider home must be submitted in accordance with this rule OAR chapter 411, divisions 335 or 360 whichever rule apply to the home. Variance applications must at a minimum contain the following:

- (a) The section of the rule from which the variance is sought;
- (b) The reason for the proposed variance;
- (c) The alternative practice, service, method, concept or procedure proposed that provides equal or greater program effectiveness that does not adversely impact health, safety or rights;
- (d) Evidence, when appropriate, that the variance is consistent with a currently approved ISP according to OAR chapter 411, divisions 335 and 360; and
- (e) Provide any supplementary information as may be required by the Department.

(3) Program review. The Manager or designee of the contracting entity will forward the signed variance request form with a recommendation for

approval or denial to the Department within 30 days of receipt of the request indicating its position on the proposed variance. If variance affects more than one contracting entity the variance must be reviewed and signed by each.

(4) Department review. The Administrator or designee will approve or deny the request for a variance.

(5) Notification. The Department must notify the proctor agency and the contracting entity of the decision. The Department will send this notice within 30 calendar days of receipt of the request with a copy to other relevant Department programs or offices.

(6) Appeal. An Agency may appeal of the denial of a variance by submitting a request in writing to the Administrator or his designee within 10 days of the denial with a copy sent to the contracting entity. The Administrator's decision will be final.

(7) Duration of variance. The Department will determine the duration of the variance. A variance cannot extend beyond the term of the certificate.

(8) Written approval. The agency or proctor provider may implement a variance only after receiving written approval from the Department.

411-335-0150 Rights: General
(Effective 1/1/2007)

(1) Abuse prohibited. Individuals must not be abused, nor will abuse be tolerated by any foster provider, agency employee, alternate or substitute caregiver, respite provider, contractor or volunteer of the agency.

(2) Protection and well-being. The agency must assure the health and safety of individuals from abuse including the protection of individual's rights, as well as, encouraging and assisting individuals through the ISP process to understand and exercise these rights. With the exception of individuals under the age of 18, where a parent or guardian has placed reasonable limitations, these rights must, at a minimum, provide for:

(a) Assurance that each individual has the same civil and human rights accorded to other citizens of the same age except when limited by a court order;

(b) Adequate food, housing, clothing, medical and health care;

(c) Visits and communication with family members, guardians, friends, advocates and others of the individual's choosing, as well as legal and medical professionals; unless limited due to legal process;

(d) Confidential communication including personal mail and telephone;

(e) Personal property and fostering of personal control and freedom regarding that property;

(f) Privacy in all matters that do not constitute a documented health and safety risk to the individual;

(g) Protection from abuse and neglect, including freedom from unauthorized training, treatment and chemical or mechanical or physical interventions or restraints;

(h) Freedom to choose whether or not to participate in religious activity;

(i) The opportunity to vote for individuals over the age of 18 and training in the voting process;

(j) Expression of sexuality within the framework of State and Federal Laws, and, for adults over the age of 18, the freedom to marry and to have children;

(k) Access to community resources, including recreation, agency services, employment and community inclusion services, school, educational opportunities and health care resources;

(l) Individual choice for children and adults that allows for decision-making and control of personal affairs appropriate to age;

(m) Services, which promote independence, dignity and self-esteem and reflect the age and preferences of the individual child or adult;

(n) Individual choice for adults to consent to or refuse treatment unless incapable and then an alternative decision maker is allowed to consent or refuse. For children, consent to or refusal of treatment by the child's parent or guardian except as defined in statute (ORS 109.610) or limited by court order;

(o) Individual choice to participate in community activities, except where limited by a court order;

(p) Access to a free and appropriate education for children and individuals under the age of 21 including a procedure for school attendance or refusal to attend.

(3) Policies and procedures. The agency must have and implement written policies and procedures that protect an individual's rights as listed in OAR chapter 411, division 335.

(4) Notification of policies and procedures. The agency must inform each individual and parent or guardian orally and in writing of their rights and a description of how to exercise these rights. This must be completed at entry

to the program and in a timely manner thereafter as changes occur. Information must be presented using language, format, and methods of communication appropriate to the individual's and family/guardian's needs and abilities.

411-335-0160 Rights: Behavior Support
(Effective 1/1/2007)

(1) Written policy required. The agency must implement a written policy for behavior support that utilizes individualized positive behavior support techniques and prohibits abusive practices.

(2) Development of an individualized plan to alter an individual's behavior. A decision to develop a plan to alter an individual's behavior must be made by the ISP team, and must be based on the Risk Tracking Record. Documentation of the ISP team decision must be maintained by the agency.

(3) Functional assessment required. The agency must conduct a functional assessment of the behavior, which must be based upon information provided by one or more persons who know the individual. The functional assessment must include:

(a) A clear, measurable description of the behavior that includes frequency, duration and intensity of the behavior;

(b) A clear description and justification of the need to alter the behavior;

(c) An assessment of the meaning of the behavior, which includes the possibility that the behavior is one or more of the following:

(A) An effort to communicate;

(B) The result of medical conditions;

(C) The result of psychiatric conditions; and

(D) The result of environmental causes or other factors.

(d) A description of the context in which the behavior occurs; and

(e) A description of what currently maintains the behavior.

(4) BSP requirements. The BSP must include:

(a) An individualized summary of the individual's needs, preferences and relationships;

(b) A summary of the function(s) of the behavior, (as derived from the functional assessment);

(c) Strategies that are related to the function(s) of the behavior and are expected to be effective in reducing problem behaviors;

(d) Prevention strategies including environmental modifications and arrangement(s);

(e) Early warning signals or predictors that may indicate a potential behavioral episode and a clearly defined plan of response;

(f) A general crisis response plan that is consistent with the Oregon Intervention System (OIS).

(g) A plan to address post crisis issues;

(h) A procedure for evaluating the effectiveness of the plan that includes a method of collecting and reviewing data on frequency, duration and intensity of the behavior;

(i) Specific instructions for agency staff to follow regarding the implementation of the plan; and

(j) Positive behavior supports that includes the least intrusive intervention possible.

(5) Additional documentation requirements for implementation of behavioral support plans. The agency must maintain the following additional documentation for implementation of behavioral support plans:

(a) Written evidence that the individual, guardian or legal representative (if applicable) and the ISP team are aware of the development of the plan and any objections or concerns have been documented;

(b) Written evidence of the ISP team decision for approval of the implementation of the BSP; and

(c) Written evidence of all informal and positive strategies used to develop an alternative behavior.

(6) Notification of policies and procedures. The agency must inform each individual and guardian of the behavior support policy and procedures at the time of entry to the program and as changes occur.

411-335-0170 Rights: Physical Intervention
(Effective 1/1/2007)

(1) Circumstances allowing the use of physical intervention. The agency must assure that agency staff and foster providers employ only physical intervention techniques that are included in the current approved OIS curriculum or as approved by the OIS Steering Committee. Physical intervention techniques must only be applied:

(a) When the health and safety of the individual or others is at risk, and the ISP team has authorized the procedures as documented by an ISP team decision, included in the ISP and the procedures are intended to lead to less restrictive intervention strategies; or

(b) As an emergency measure, if absolutely necessary, to protect the individual or others from immediate injury; or

(c) As a health related protection prescribed by a physician, if absolutely necessary during the conduct of a specific medical or surgical procedure, or for the individual's protection during the time that a medical condition exists.

(2) Staff and training. Agency staff members and foster providers who support individuals with a history of behavior that may require the application of physical intervention, and the ISP team has determined that there is probable cause for future application of physical intervention, must be trained by an instructor certified in the Oregon Intervention System (OIS). Documentation verifying such training must be maintained in the personnel file.

(3) Modification of OIS physical intervention procedures. The program must obtain the approval of the OIS Steering Committee for any modification of standard OIS physical intervention technique(s). The request for modification of physical intervention technique(s) must be submitted to the OIS Steering Committee and must be approved in writing by the OIS Steering Committee prior to the implementation of the modification. Documentation of the approval must be maintained in the individual's record.

(4) Physical intervention techniques in emergency situations. Use of physical intervention techniques that are not part of an approved plan of behavior support in emergency situations must:

(a) Be reviewed by the agency's executive director or designee within one hour of application. Review will verify the following:

(A) The physical intervention was used in an emergency and only until the individual was no longer an immediate threat to self or others.

(B) An incident report is prepared and submitted within one working day to the Services Coordinator and the individual's guardian.

(C) Determine the need for an ISP team meeting if the emergency intervention is used three times in a six-month period.

(5) Incident report. Any use of any physical intervention must be documented in an incident report. Agency staff or proctor providers or other support staff who are involved in the incident, or who have witnessed the event, must write the report. The report must include:

(a) The name of the individual to whom the physical intervention was applied;

(b) The date, type, and length of time the physical intervention was applied;

(c) A description of the incident precipitating the need for the use of the physical intervention;

(d) Documentation of any injury;

(e) The name and position of the agency staff member(s) or proctor provider(s) applying the physical intervention;

(f) The name(s) and position(s) of the agency staff or proctor provider(s) witnessing the physical intervention;

(g) The name and position of the person providing the initial review of the use of the physical intervention; and

(h) Documentation of an administrative review that includes the follow-up to be taken to prevent a recurrence of the incident by the director or his/her designee who is knowledgeable in OIS, as evident by a job description that reflects this responsibility.

(6) Copies submitted. A copy of the incident report must be forwarded to the Services Coordinator and the legal guardian within five working days of the incident,

(a) Copies of incident reports will not be provided to a legal guardian, personal or other service providers, when the report is part of an abuse or neglect investigation.

(b) Copies provided to a legal guardian, personal agent, or other service provider must have confidential information about other individuals removed or redacted as required by federal and state privacy laws.

(c) All interventions resulting in injuries must be documented in an incident report and forwarded to the Services Coordinator and the legal guardian within one working day of the incident.

(7) Behavior data summary. The program may substitute a behavior data summary in lieu of individual incident reports when:

(a) There is no injury to the individual or others.

(b) The intervention utilized is not a physical restraint.

(c) There is a formal written functional assessment and written behavioral support plan.

(d) The individual's behavior support plan defines and documents the baseline level of behavior.

(e) The physical intervention technique(s), and the behavior(s) for which they are applied remain within the parameters outlined in the individual's behavior support plan and OIS curriculum.

(f) The behavior data collection system for recording observation, intervention and other support information critical to the analysis of the efficacy of the behavior support plan, is also designed to record items as required in support in OAR 411-325-0350(5)(a)-(c) and (e)-(h).

(g) There is written documentation of an ISP team decision that a behavior data summary had been authorized for substitution in lieu of incident reports.

(8) Copy to Services Coordinator. A copy of the behavior data summary must be forwarded to the Services Coordinator, Department designee, and the individual's legal guardian every thirty days.

411-335-0180 Rights: Psychotropic Medications and Medications for Behavior

(Effective 1/1/2005)

(1) Requirements. Psychotropic medications and medications for behavior must be:

(a) Prescribed by physician or health care provider through a written order; and

(b) Monitored by the prescribing physician, ISP team and program for desired responses and adverse consequences.

(2) Balancing test. When medication is first prescribed and annually thereafter, the provider must obtain a signed balancing test from the prescribing health care provider using the DHS Balancing Test Form or by inserting the prescribed form content into the provider's agency forms. Providers must present the physician or health care provider with a full and clear description of the behavior and symptoms to be addressed, as well as any side effects observed.

(3) Documentation requirements. The provider must keep signed copies of these forms in the individual's medical record for seven years.

411-335-0190 Safety: Incident Reports and Emergency Notifications

(Effective 1/1/2007)

(1) Incident reports. A written report that describes any injury, accident, act of physical aggression or unusual incident involving an individual must be placed in the individual's record. The agency staff or proctor provider who was involved in the incident must write the incident report. Someone who witnessed the event may also write the report. The report must include:

(a) Conditions prior to or leading to the incident.

- (b) A description of the incident.
- (c) Agency staff or proctor provider response at the time.
- (d) Administrative review to include the follow-up to be taken to prevent a recurrence of the incident.

(2) Sent to guardian and Services Coordinator. Copies of all unusual incident reports must be sent to the individual's Services Coordinator within five working days of the incident. Upon request of the guardian, copies of incident reports will be sent to the guardian within five working days of the incident. Such copies must have any confidential information about other individuals removed or redacted as required by federal and state privacy laws. Copies of incident reports will not be provided to a guardian when the report is part of an abuse or neglect investigation.

(3) Immediate notification of allegations of abuse and abuse investigations. The program must notify the CDDP or the Department, if the Department holds the direct contract, immediately of an incident or allegation of abuse falling within the scope of OAR 411-320-0020(1)(a)(A)-(G), (b)(A)-(E), and (c)(A)-(H). When an abuse investigation has been initiated, the contracting entity will assure that either the Services Coordinator or the program will also immediately notify the individual's legal guardian or conservator. The parent who is not the guardian, next of kin or other significant person may also be notified unless the adult requests the parent, next of kin or other significant person not be notified about the abuse investigation or protective services, or notification has been specifically prohibited by law.

(4) Immediate notification for serious illness, injury or death. In the case of a serious illness, injury or death of an individual, the program must immediately notify:

- (a) The individual's guardian or conservator, parent, next of kin or other significant person;
- (b) The CDDP and the Department, if the Department holds the direct contract.
- (c) Any agency responsible for or providing services to the individual.

(5) Emergency notification. In the case of an individual who is away from the residence, without support beyond the time frames established by the ISP team, the program must immediately notify:

- (a) The individual's guardian, if any, or nearest responsible relative;
- (b) The individual's designated contact person;
- (c) The local police department; and
- (d) The CDDP and the Department, if the Department holds the direct contract.

411-335-0200 Rights: Individuals' Personal Property

(Effective 1/1/2007)

Record of personal property. The program must ensure that individual written records of personal property are prepared and accurately maintained for each individual of personal property that has significant monetary value or is important to the individual as determined by a documented ISP team or guardian decision. The record must include:

- (1) The description and identifying number, if any;
- (2) Date of inclusion in the record;
- (3) Date and reason for removal from the record;
- (4) Signature of agency staff or proctor provider making each entry; and
- (5) A signed and dated annual review of the record for accuracy.

411-335-0210 Rights: Handling and Managing Individuals' Money
(Effective 1/1/2007)

(1) Policies and procedures. The program must implement written policies and procedures for the handling and management of individuals' money. Such policies and procedures must provide for:

- (a) Safeguarding of the individual's funds;
- (b) Individuals receiving and spending their money; and
- (c) Taking into account the individual's interests and preferences.

(2) Individual written record. The agency must assure that documentation of the individual's financial plan is completed as part of the Proctor Care Individual Support Plan for each individual served.

(3) Reimbursement to individual. The agency must reimburse the individual any funds that are missing due to theft, or mismanagement on the part of any agency staff member or proctor provider, for any funds within the custody of the agency that are missing. Such reimbursement must be made within 10 working days of the verification that funds are missing. Where appropriate the agency will ensure that the proctor provider reimburses any funds missing due to theft or mismanagement on the part of the proctor provide.

411-335-0220 Safety: Individual Summary Sheets
(Effective 1/1/2007)

A current one to two page summary sheet must be maintained for each individual receiving services from the proctor agency. The record must include:

(1) The individual's name, current and previous address, date of entry into the program, date of birth, sex, religious preference, preferred hospital, medical prime number and private insurance number where applicable, and guardianship status.

(2) The name, address and telephone number of:

(a) The individual's legal representative, family, advocate or other significant person, and for children, the individual's parent or guardian, education surrogate, if applicable.

(b) The individual's preferred physician, secondary physician or clinic.

(c) The individual's preferred dentist.

(d) The individual's identified pharmacy.

(e) The individual's school, day program, or employer, if applicable.

(f) The individual's CDDP Services Coordinator, and for Department direct contracts, a Department representative.

(g) Other agency representatives providing services to the individual.

(3) Any court ordered or guardian authorized contacts or limitations.

411-335-0230 Individual Support Plan

(Effective 1/1/2007)

(1) Department Individual Support Plan required. A copy of each individual's ISP and supporting documentation on the required Department forms must be available at the proctor provider home within 60 days of entry and annually thereafter. The agency must assure that agency staff and proctor providers are trained to implement the Proctor ISP in a manner consistent with the Department prescribed process.

(2) Preparation for ISP. The following required documents must be completed and summarized within 45 days prior to the ISP meeting for an individual:

(a) Risk Tracking Record;

(b) Necessary protocols or plans that address health, behavioral, and safety (including financial) supports as identified on the Risk Tracking Record;

(c) A Nursing Care Plan, if applicable, including but not limited to those tasks required by the Risk Tracking Record; and

(d) Other documents required by the ISP team.

(e) Personal Focus Worksheet.

(3) Content of Individual Support Plan. A completed ISP must be documented on the Department required form. Documentation of ISP Team members' signatures must be attached to the ISP.

(4) Any protocols as required by the Risk Tracking Record must be available for the proctor provider and any other caregivers.

(5) Availability and Implementation of ISP. The ISP and all documents of support must be available in the home for the provider(s) and any staff. The provider(s) and any staff must be trained in the ISP and it be implemented as written. Implementation must occur within the month of the expiration of the current ISP.

(6) Documentation required. The agency must maintain documentation of implementation of each support and service noted in the individual's ISP. This documentation must be kept current and be available for review by the individual, guardian, CDDP and Department representatives.

411-335-0240 Health: Medical

(Effective 1/1/2007)

(1) Written policies and procedures. The agency must assure implementation of policies and procedures that maintain and protect the physical health of individuals placed in certified proctor provider homes

operated and overseen by the Proctor Agency. Policies and procedures must address the following:

- (a) Each individual's health care;
- (b) Medication administration;
- (c) Medication storage;
- (d) Response to emergency medical situations;
- (e) Nursing service provision, if needed;
- (f) Disposal of medications; and
- (g) Early detection and prevention of infectious disease.

(2) Individual health care. Each individual receiving proctor provider services must receive care that promotes their health and well-being as follows:

- (a) The agency must assure each individual has a primary physician or qualified health care provider that the individual or guardian chooses from among qualified providers;
- (b) The agency must assure each individual receives a medical evaluation by a qualified health care provider no less than every two years or as recommended by a physician;
- (c) The agency must assure that the health status and physical conditions of each individual is monitored, and take action in a timely manner in response to identified changes or conditions that could lead to deterioration or harm;
- (d) The agency must assure that a physician's or qualified health care providers written, signed order is obtained prior to the usage or implementation of all of the following:

- (A) Prescription medications;

(B) Non-prescription medications except over the counter topical preparations;

(C) Treatments other than basic first aid;

(D) Modified or special diets;

(E) Adaptive equipment; and

(F) Aids to physical functioning.

(e) The agency must maintain a copy of the order in the individual's central record, and assure that the original is maintained in the proctor provider home.

(f) The agency must assure that its contracted proctor provider, their designee, or proctor agency staff implements orders by a physician or qualified health care provider's as written.

(3) Required documentation. The agency must maintain records on each individual to aid physicians, licensed health professionals and proctor providers in understanding the individual's medical history. Such documentation must include:

(a) A list of known health conditions, medical diagnoses; known allergies and immunizations;

(b) A record of visits to licensed health professionals that include documentation of the consultation and any therapy provided; and

(c) A record of known hospitalizations and surgeries.

(4) Medication procurement and storage. All medications must be:

(a) Kept in their original containers;

(b) Labeled by the dispensing pharmacy, product manufacturer or physician, as specified per the physician's or licensed health care practitioner's written order; and

(c) Kept in a secured locked container and stored as indicated by the product manufacturer, or as identified and outlined in the ISP.

(5) Medication administration. All medications and treatments must be recorded on an individualized medication administration record (MAR). The MAR must include:

(a) The name of the individual;

(b) A transcription of the written physician's or licensed health practitioner's order, including the brand or generic name of the medication, prescribed dosage, frequency and method of administration;

(c) For topical medications and treatments without a physician's order, a transcription of the printed instructions from the package;

(d) Times and dates of administration or self administration of the medication;

(e) Signature of the person administering the medication or the person monitoring the self-administration of the medication;

(f) Method of administration;

(g) An explanation of why a PRN (i.e., as needed) medication was administered;

(h) Documented effectiveness of any PRN (i.e., as needed) medication administration;

(i) An explanation of any medication administration irregularity; and

(j) Documentation of any known allergy or adverse drug reaction.

(6) Self-administration of medication. For individuals who independently self-administer medications, there must be a plan as determined by the ISP team for the periodic monitoring and review of the self-administration of medications.

(7) Self-administration medications unavailable to other individuals. The program must assure that individuals able to self-administer medications keep them in a place unavailable to other individuals residing in the same proctor provider home, and store them as recommended by the product manufacturer.

(8) PRN/Psychotropic medication prohibited. PRN (i.e., as needed), orders will not be allowed for psychotropic medication.

(9) Adverse medication effects safeguards. Safeguards to prevent adverse effects or medication reactions must be utilized and include:

(a) Obtaining, whenever possible, all prescription medication except samples provided by the health care provider, for an individual from a single pharmacy that maintains a medication profile for him or her;

(b) Maintaining information about each medication's desired effects and side effects;

(c) Ensuring that medications prescribed for one individual are not administered to, or self-administered by, another individual, proctor provider, or respite provider.

(d) Documentation in the individual's record of reason why all medications should not be provided through a single pharmacy.

(10) Unused, discontinued, outdated, recalled and contaminated medications. All unused, discontinued, outdated, recalled and contaminated medications must be disposed of in a manner designed to prevent the illegal diversion of these substances. A written record of their disposal must be maintained that includes documentation of:

(a) Date of disposal;

(b) Description of the medication, including dosage strength and amount being disposed;

(c) Individual for whom the medication was prescribed;

(d) Reason for disposal;

- (e) Method of disposal;
- (f) Signature of the person disposing of the medication; and
- (g) For controlled medications, the signature of a witness to the disposal.

(11) Direct nursing services. When direct nursing services are provided to an individual, the agency must:

- (a) Coordinate with the nurse or nursing service and the ISP team to assure that the services being provided are sufficient to meet the individual's health needs; and
- (b) Implement the Nursing Care Plan, or appropriate portions therein, as agreed upon by the ISP team and the registered nurse.

(12) Notification. When the individual's medical, behavioral or physical needs change to a point that they cannot be met by the agency, the Services Coordinator must be notified immediately and that notification documented.

411-335-0270 Emergency Plan and Safety Review
(Effective 1/1/2007)

(1) Written emergency plan. The agency must write an emergency plan to include instructions for the proctor provider and agency staff in the event of a fire, explosion, earthquake, accident, or other emergency including evacuation, if appropriate, of individuals served at the proctor provider home. The plan will be available at the Agency offices and the proctor home. A copy shall also be provided to the CDDP.

(2) Emergency telephone numbers. Emergency telephone numbers must be readily available in each proctor provider home, in close proximity to phone(s):

(a) The telephone numbers of the local fire, police department and ambulance service, if not served by a 911 emergency service; and

(b) The telephone number of the Executive Director, emergency physician and other persons to be contacted in the case of an emergency.

(3) Monthly safety review. A documented safety review that is specific to each proctor provider home must be conducted monthly to assure that the home is free of hazards. The agency must keep these reports for three years and make them available upon request to the Services Coordinator and Department representatives.

(4) Provider Absence. There must be a written contingency plan for each child that is available for substitute caregivers and agency staff in the event of an emergency absence of the proctor provider.

411-335-0290 Safety: Individual Fire Evacuation Safety Plans
(Effective 1/1/2005)

(1) Written fire safety evacuation plans are required for all individuals residing in proctor provider homes who are unable to evacuate the home in three minutes or less. For individuals who are unable to evacuate the proctor provider home within the required evacuation time, or who the ISP team determines should not participate in fire drills, the agency must develop a written safety plan that includes the following:

- (a) Documentation of the risk to the individual's medical, physical condition and behavioral status;
- (b) Identification of the alternative practices used to evacuate his/her home including level of support needed;
- (c) The routes to be used to evacuate the residence to a point of safety;
- (d) Identification of assistive devices required for evacuation;
- (e) The frequency the plan will be practiced and reviewed by the individual, the proctor provider, and any staff working in the proctor provider home.
- (f) Approval of the plan by the individual's guardian, Service Coordinator and the program director.
- (g) A plan to encourage the individual's future participation.

(2) Required documentation of practice and review of safety plans. The agency must maintain documentation of the practice and review of the safety plan by the individual and the proctor provider.

411-335-0330 Entry, Exit and Transfer: General
(Effective 1/1/2007)

(1) Qualifications for Department funding. All individuals considered for Department funded services must:

- (a) Be referred through the CDDP;
- (b) Be determined to have a developmental disability by the Department or its designee; and
- (c) Not be discriminated against because of race, color, creed, disability, national origin, duration or Oregon residence, or other forms of discrimination under applicable state or federal law.
- (d) For children, be in the custody of the State of Oregon, DHS Child Welfare, or OYA; or have a Developmental Disabilities Individual Placement Agreement with the Department signed by the child's parent or guardian.

(2) Authorization of Services. The Department must authorize admission into Children's Residential Services. The CDDP services coordinator for the adult will authorize admission into an adult proctor service.

(3) Information required for entry meeting. The agency must acquire the following information prior to or upon entry ISP team meeting:

- (a) A copy of the individual's eligibility determination document;
- (b) A statement indicating the individual's safety skills including the ability to evacuate a building when warned by a signal device, and adjusting water temperature for bathing and washing;
- (c) A brief written history of any behavioral challenges including supervision and support needs;

(d) A medical history and information on health care supports that includes, where available:

(A) The results of a physical exam made within 90 days prior to entry;

(B) Results of any dental evaluation;

(C) A record of immunizations;

(D) A record of known communicable diseases and allergies;
and

(E) A record of major illnesses and hospitalizations.

(e) A written record of any current or recommended medications, treatments, diets and aids to physical functioning;

(f) Copies of documents relating to guardianship or conservatorship or any other legal restrictions on the rights of the individual, if applicable;

(g) Written documentation that the individual is participating in out of residence activities including school enrollment until the age of 21;
and

(h) A copy of the most recent Functional Assessment, BSP, ISP and IEP.

(i) The entry agreement for family contact and visits that includes, but is not limited to, the names of the family members who can visit, with the level of agency staff supervision needed during visits; and any limitations on location or length of visits.

(j) Medical insurance information and medical card.

(4) Crisis entries from family homes. If the individual is being admitted from his or her family home and the information required in OAR 411-335-0330(3) is not available the agency will assure that they assess the individual upon entry for issues of immediate health or safety and

document a plan to secure the remaining information no later than thirty days after entry. This must include a written justification as to why the information is not available.

(5) Entry meeting. An entry ISP team meeting must be conducted prior to the onset of services to the individual. The findings of the meeting must be recorded in the individual's file and include at a minimum:

- (a) The name of the individual proposed for services;
- (b) The date of the meeting and the date determined to be the date of entry;
- (c) The names and role of the participants at the meeting.
- (d) Documentation of the pre-entry information required by 411-335-0330(3)(a-j).
- (e) Documentation of the decision to serve or not serve the individual, with reasons; and
- (f) A written transition plan to include all medical, behavior and safety supports needed by the individual, to be provided to the individual for no longer than 60 days, if the decision was made to serve.

(6) Exit meeting. Each individual considered for exit must have a meeting by the ISP team before any decision to exit is made. Findings of such a meeting must be recorded in the individual's file and include, at a minimum:

- (a) The name of the individual considered for exit;
- (b) The date of the meeting;
- (c) Documentation of the participants included in the meeting;
- (d) Documentation of the circumstances leading to the planned exit;
- (e) Documentation of the discussion of strategies to prevent an unplanned exit from service (unless the individual, individual's parent or guardian is requesting exit);

(f) Documentation of the decision regarding exit including verification of a majority agreement of the meeting participants regarding the decision; and documentation of discussion and criteria, as outlined in section (6) of this rule if applicable.

(g) Documentation of the proposed plan for services to the individual after the exit.

(7) Requirements for waiver of exit meeting. Requirements for an exit meeting may be waived if an individual is immediately removed from the home under the following conditions:

(a) The individual and his/her guardian or legal representative requests an immediate move from the home; or

(b) The individual is removed by legal authority acting pursuant to civil or criminal proceedings other than detention;

(8) Transfer meeting. A meeting of the ISP team must precede transfer of an individual before any decision to transfer is made. Findings of such a meeting must be recorded in the individual's file and include, at a minimum:

(a) The name of the individual considered for transfer;

(b) The date of the meeting or telephone call(s);

(c) Documentation of the participants included in the meeting or telephone call(s) including, a parent or guardian who is participating to sign documents;

(d) Documentation of the circumstances leading to the proposed transfer;

(e) Documentation of the alternatives considered instead of transfer;

(f) Documentation of the reasons any preferences of the individual, guardian, legal representative, parent or family members cannot be honored;

(g) Documentation of a majority agreement of the participants with the decision; and

(h) The written plan for services to the individual after transfer.

411-335-0340 Entry, Exit and Transfer Appeals
(Effective 1/1/2007)

(1) Appeals. In cases where the adult, or the parent or guardian objects to, or the ISP team cannot reach majority agreement regarding an entry refusal, a request to exit the program or a transfer within a program, an appeal may be filed by any member of the ISP team.

(2) In cases where the ISP team cannot reach majority agreement or when the parent or guardian objects to an entry refusal, a request to exit the program or a transfer within a program, and an appeal has been filed the following requirements apply.

(a) In the case of a refusal to serve, the program vacancy may not be permanently filled until the appeal is resolved.

(b) In the case of a request to exit or transfer, the individual must continue to receive the same services until the appeal is resolved.

(3) Appeal to the CDDP. All appeals must be made to the CDDP Director or designee in writing, in accordance with the CDDPs dispute resolution policy. The CDDP will provide written response to the individual making the appeal within the timelines specified in the CDDPs dispute resolution policy.

(4) Appeal to Department. In cases where the CDDPs decision is in dispute written appeal must be made to the Department within ten days of receipt of the CDDPs decision.

(5) Department appeal process. The Administrator or designee will review all unresolved appeals. Such review will be completed and a written response provided within 45 days of receipt of written request for

Department review. The decision of the Administrator or designee will be final.

(6) Documentation required. Documentation of each appeal and its resolution must be filed or noted in the individual's record.

411-335-0350 Respite Care Services (Effective 1/1/2007)

(1) The proctor agency may provide respite services in a proctor home to an individual not enrolled in proctor services.

(2) Qualifications for respite care services. All individuals not currently enrolled in proctor services with the agency and who are being considered for respite care services to be provided by the Proctor Agency and proctor home must:

(a) Be referred by the Department or by the CDDP whichever entity holds the contract for the services;

(b) Be determined to have a developmental disability by the Department or its designee; and

(c) Not be discriminated against because of race, color, creed, disability, national origin, duration of Oregon residence, or other forms of discrimination under applicable state or federal law.

(3) Respite care plan. The individual and the guardian and services coordinator, or other ISP team members (as available) must participate in an entry meeting prior to the initiation of respite care services in a proctor provider's home. This meeting may occur by phone and the Services Coordinator or Proctor Agency will assure that any critical information relevant to the individual's health and safety, including physicians' orders, will be made immediately available to the provider. The outcome of this meeting will be a written respite care plan which must take effect upon entry and be available on site, and must:

(a) Address the individual's health, safety and behavioral support needs;

(b) Indicate who is responsible for providing the supports described in the plan; and

(c) Specify the anticipated length of stay at the residence up to 14 days.

(4) Waiver of exit meeting requirement. Exit meetings are waived for individuals receiving respite care services.

(5) Waiver of appeal rights for entry, exit and transfer. Individuals receiving respite care services do not have appeal rights regarding entry, exit or transfer.
